

BC Track Team Places Fourth At WC Relays

Brevard College — On April 3rd, the Brevard College Track Team placed 4th out of 15 colleges at the Western Carolina Relays. Brevard's Team consists of 18 men and was one of only two Junior Colleges competing.

Campbell College took home a Meet high of four first place trophies, while Brevard and Emory & Henry sent three performers into the winning circle.

Brevard's Jerphy McIlwain won the shot put while setting a meet record of 53'2". This mark also ties Brevard's outdoor school record which he set last year.

Paul Heilman won the high jump at 6'8" setting a W. N. Relay record as well as a new school record, breaking the old record of 6'6" set by him last year.

Brevard's distance medley team took first place, beating out Western Carolina and Carson Newman with a time of 10:26.7. Gary Carter ran the 880 in 2:01. Greg Bennett ran the 440 in 50.8 and Chuck Roberts turned in a time of 3:10.7 for three-quarters. Terry Wolfe anchored the medley with a mile of 4:23.3.

Fourth place finishers for Brevard were Kevin Baumann in the 120 high hurdle and the mile relay and David Comer in the 6-mile.

Fifth place finishers were Scott Knight in the shot put, Tim Barnhill in the pole vault, and the 880 and 2-mile relays.

Jerphy McIlwain in the discus was Brevard's only sixth place finisher for the Meet.

Baseball Nine In Labor Pains

As the baseball season began six weeks ago, there were hopes that Brevard would finish above the waterline that normally occupies our fine campus in the spring. Now with the season coming to a close, the flood may have missed our area, but our team's record has been inundated with losses. The only win that was tattered a perfect record was an early victory over a Spartanburg squad. This past week Spartanburg revenged that defeat, 8-5.

Though this season did not bring the results wished for, accomplishments have been made. Of top priority was the reconditioning of the baseball diamond, which adds an air of class to the campus. To look from the student union and see the blen fo brown and green is to see a stream reflect sunlight. It looks clean, and its cleanliness is something we all can enjoy. Secondly, there may be scholarships available for some of the players transferring from Brevard. Rumor has it that Gardner-Webb sent a scout down to watch some of the players, but no results have been aired.

As we reflect back, I suspect it can be safely said that the hopes for a winning record was perhaps too high of an aim for the initial season in the sport that was dropped years ago. The effort that our squad made has been greatly appreciated, and to the Class of 76 . . . perhaps all the toil you placed in this rejuvenation program will shine from our trophy case in future years.

Golfers Second At Glen Cannon

For the first time in at least two years, a Brevard team has bettered an Anderson team!

In the final regular season tournament of conference teams, Brevard managed to outduel a tough field, and strong north winds to take second place on their home course. Spartanburg won the event with 627 total. Anderson finished third, followed by Wingate, Montreat-A, and Lees-McRae.

Low medalist for the tournament was Terry Chlystun of Spartnaburg with a 155. Tom Sluiter finished second with 157, but had the lead going into the 36th hole. From that tee, Tom hit his ball into a ditch and couldn't find the ball for a penalty stroke. He then chose to walk back to the tee to hit for position but the gamble failed and Tom took a seven on the par 4 18th hole.

Final standings in the conference:

Spartanburg	42 pts.
Anderson	42 pt.
Brevard	36 pts.
Wingate	24 pts.
Montreat-A	16 pts.
Lees-McRae	6 pts.

The post season tournament to decide representatives in the regionals will begin the day after graduation, May 3rd and 4th. It will be played on the Etowah championship course in Etowah, N. C.

A Basketball School For Girls?

The 9th annual Patsy Neal Basketball School will be starting in June. The basketball school is open June 7-12 for the first session and June 14-19 for the second session to girls ranging in ages from 12 years through college except the third session, June 21-26, which is open to girls 12 years of age and up, including women coaches. Instruction, activities, and supervision will be classified according to ages.

All applications must be in by May 26, 1976. A physical examination is required of all students and participating coaches. The form will be mailed when the application is received. The cost for participating coaches and players is \$105.00 per week for boarding students and \$53.00 per week for commuting students.

The purpose of PNBS is to provide qualified training in basketball for girls with emphasis on fundamental skills, strategy, condition techniques, and individual and team offense and defense.

All students will be staying in Annabel Jones Dormitory, and meals will be served in the Brevard College Dining Hall. Registration will begin Monday at 2:00 in the lobby of Boshamer Gymnasium and will last until 4:00. The Monday evening meal will be served in the dining hall and will end at the noon meal on Saturday. Parents should pick up girls before 2:00 p.m. on Saturday.

The directors of the Patsy Neal Basketball School are Patsy Neal and Gail Anderson. The former staff has consisted of outstanding players and coaches from 10 different states, including 2 members of the United States team which competed in the 1971 World Games in Russia. Medical and Dormitory supervision will be available.

For further information please see or contact Patsy Neal at her office in the Boshamer Gymnasium at Brevard College.

Ben Harper Named Captain Of Tornados

Brevard, N. C. — Brevard College basketball mentor, John Meyerhoff, reported today that his Tornados have named rising sophomore Ben Harper as Captain of the 1976-77 basketball Tornados. Harper, a product of Gastonia's Hunter Huss High School where he played for Coach Jerry Green, lettered for the Tornados this year and was the team's third leading scorer with a 10.6 average. He was one of four players to play in all 27 games enroute to a 16-11 season. He shot 50 per cent from the field and 78.6 per cent from the floor.

Johnson And Horonzy Sign With Presbyterian

Brevard, N. C. — Two outstanding members of the Brevard College basketball team for the past two years have signed grants-in-aid to continue their collegiate playing careers at Presbyterian College in Clinton, S. C.

Tom Horonzy and Doug Johnson, both stalwarts in leading the Tornados to a 16-11 record this past season, signed to go to Presbyterian while Tornado coach John Meyerhoff and Presbyterian coach Larry Burch looked on.

Horonzy, a 6'5" Pennsylvania native, set a career record for rebounds at Brevard, averaging 11.1 over a 55 game two year span. He averaged a little better than nine points per game over that same period.

Johnson, a 6'3" native of Raleigh, led the Tornados this past season with a 16.6 average per game. His field goal percentage was also high among the Tornados.

Coach Meyerhoff had mixed emotions as he watched his two star performers sign. "I'm tied to death that these two fine young men will be able to continue their athletic and scholastic careers at Presbyterian, but I'm sure gong to miss them here," he grinned. "I wish them nothing but the best, and I know that they are going to be a tremendous asset to Coach Burch and his squad, as they have been during their two years here," he concluded.

Coach Burch, a former Tornado cage star and head basketball coach until going to Presbyterian several years ago, stated that he was delighted that the two Brevard cagers had elected to join his Blue Horse cagers.

"These are two blue chip performers, and with Tom's great rebounding ability to go with Doug's excellent shooting eye, they can't help but be a big boost to our program at Presbyterian. We're looking for great things from both of these young men," he remarked.

Both Horonzy and Johnson are outstanding students as well as fine athletes. Both carry high B averages in their studies and were recently selected to appear in this year's publication of "Who's Who Among Students In American Junior College."

Tickets Now Available For Summer Olympics

Brevard, N. C. — Tickets for the Summer Olympics in Montreal, plus lodging, are now available through the Association for Intercollegiate Athletics for Women, of which Brevard College Athletic Department is a member.

"We are very proud to offer great Olympic package trips, with excellent tickets to major events, plus a wide range of accommodations," said Sandy Weiner, the overall coordinator of the Olympic project.

The Summer Olympics run from July 16 through August 1 and promise to be one of the best ever. Furthermore, the Olympic games are unlikely to be this close to the United States until the 1990's, if ever.

Tickets available include track and field, volleyball, soccer, equestrian, basketball, and other important sports. The lodging ranges from deluxe youth hotels, through private homes in downtown Montreal, to complete service motels.

Prices start at \$193 per person for eight days of tickets and eight nights of lodging in a youth hotel, through \$384 per person for the motel package.

"Many people think the games are all sold out, but this is not so," said Mr. Weiner. "We are pleased that because of our access to tickets and lodging, lots of people from this area will now be able to see the most important sporting event of our time, in a city as close and as attractive as Montreal."

Mr. Weiner says that anyone who is interested should get in touch with him at the Convention Specialists, 32 Court Street, Brooklyn, New York, 11201. His telephone number is (212) 624-0686.
