

New soccer coach, Don Scarborough, greets Brevard.

Don Scarborough: Foresees Good Season

By Tim McGuire

This year at Brevard, we would like to welcome a new member to our faculty and coaching staff as well. His name is Don Scarborough, 29 years of age and a native of nearby Asheville. Coach Scarborough comes to us from Asheville Country Day School where he was Soccer & Men and Women's Basketball Coach for eight years. While at Asheville Country Day, his soccer teams compiled 125 wins, 52 losses and 11 ties. As Women's Basketball Coach he lead the team to the Carolina Athletic Association regular season and tournament championship.

Scarborough is a graduate of the University of North Carolina at Asheville where he received a B.A. Degree in education. He also played Varsity Soccer for the Bulldogs and played for an amateur team in Asheville. Noted more for his coaching than his playing ability, Coach Scarborough has taken teams to compete in England, Poland and West Germany from the Asheville area. This past summer, Scarborough took a team to West Germany. Next summer he expects to be directing a Soccer camp in England for Volvo, a well known automobile manufacturer in Europe.

Scarborough is a licensed coach with the United States Soccer Federation and the National Intercollegiate Soccer Officials Association. He currently serves as President of the Western North Carolina Soccer Officials Association. Some of Coach Scarborough's other personal interests include cars, music and dancing.

Aside from being Head Soccer Coach here at Brevard, Scarborough's responsibilities also include Head Coach for Women's Basketball and in the area of student affairs, he is also the resident tutor in Green Dormitory.

Cross Country: Hopes Good

Under the reins of head cross-country coach, Norman Witek, the Brevard College cross country team will be setting its sights on a third consecutive undefeated season.

With four sophomores who ran in last year's national meet returning, and the recruiting of four fine freshman, Brevard has the combination for a successful team. Brevard will probably be led by sophomore Tim Black, who finished 17th at the National meet with All-American honors. Those sophomores with national experience are Greg Boyd, David Skiba and John Traynor. The other sophomores who will make the team stronger are Robert Costner, Charles Fisher, Dirk Redwine, Kent Schweikert and Joe Sherman.

In addition to the great experience of the sophomores, Brevard will have a fine group of incoming freshmen. There are four freshmen who have an excellent chance at making the top seven. They are Todd Murphy, the state 2-A champion from Kentucky; Anthony Burke, the state 1-A champion from Georgia; John George, a 2nd place finisher from Page High School in North Carolina; and Jeff Wentworth, an 8th place finisher from Florida. In addition to their fine athletic ability, these four men also average around a 3.5 academic high school average. Freshmen Robin Kirby, John Little and Greg Walker should also strengthen the overall team.

This year's team has the combination of a good front runner, sophomore experience, and a fine group of talented freshman, which should produce another successful season.

Brevard Wins

Brevard College took five of the top seven places to win a three-way cross-country meet. The meet was held last Monday at Cullowhee. The other schools participating were Western Carolina and King College.

John George of Brevard was individual winner over the 5 mile course with a time of 27:38. All American Tim Black finished second with a time of 27:39.

The pool will be closed during all major campus events and all home basketball games.

Team Best Ever

New Soccer Coach Don Scarborough smiles when he mentions Brevard's chances of winning the coveted Region X title this year. But he admits that it will be a struggle.

Returning players for the Tornados include: sweeper Steve Stewart and center midfielder Steve Schneider. These two players should provide much needed leadership for the Tornados since they are the co-captains for this year's team. Scarborough also mentioned the improvement of play from defenseman John McHugh and Goalkeeper Paul Moseley.

Freshmen players expected to contribute to Brevard this year include: Andy Dickinson, Mario Muniz, Hassan Regjmand and David Collins.

Coach Scarborough is looking forward to this season. He said, "This years team, barring injuries should be the best ever in Brevard history."

Team Best

Steve Schneider scored two goals while John McHugh and Andy Dickinson each added one to lead Brevard to a 4-0 victory over Presbyterian Tuesday afternoon in Clinton, S. C. This was Coach Don Scarborough's first collegiate win since coming to Brevard.

Brevard outshot Presbyterian 26-20 in the match which put the Brevard at 1-0 while the Blue Hose fell to 0-2.

Study Tips

In a lecture hall, the best place to sit is in the middle, towards the front, where you can see and hear easily. Believe it or not, those who sit in this position usually do better than those who sit in the back.
