## Volleyball Reorganized

Women's volleyball coach Gail Anderson is very optimistic about this year team which is the first Brevard has had since 1974.

Brevard has a very exceptional team this year, led by Diane Taylor, a 5'7" freshman, who was elected captain by her teammates. Coach Anderson also mentioned the great play of Carolyn Stephens a 5'7" sophomore from Hendersonville, North Carolina. Molly Armistead, a 5'7" freshman and 5'2" freshman Donna Barnwell, are mentioned by Anderson for their setting up of the front line players for the most exciting play in volleyball, the spike.

This year's team also has an Oriental touch with the steady play and hustle of Misae Tanaka, a 5'3" freshman from Tokyo, Japan. Karen Storie, a 5'7" sophomore from Lenoir, North Carolina was noted by Anderson for her hustle and outstanding spirit for the game.

Coach Anderson hopes that this team can gel before the regional playoffs in November.
