Team Inexperienced

The 1979 Brevard College Volleyball season is underway once again. The Lady Tornados, who are coached by Gail Anderson, have compiled a record of one win against five losses. The majority of matches that the girls are in are tri-matches. A tri-match consists of three teams playing each other in a best two-out-of-three game match.

The Lady Tornados opened up their season at Spartanburg, S.C. on Sept. 21, against Chowan and Spartanburg Methodist. The girls lost both matches by a score of 2-0. On Sept. 25, Brevard scored it's first victory of the season in a tri-match at Montreat Anderson. In the first match, the Lady Tornados defeated King's College 2-0, but lost to Montreat-Anderson 2-1 in what Coach Anderson termed as a very tight match. On

Sept. 28, Brevard journeyed down to Greensboro where they played Coker and Greensboro College. They lost both matches by scores of 2-0. At press time, information on the matches played Oct. 2, 5, and 6 was not available.

Coach Anderson has three players returning from last year's team: Captain Tammy Dickens, Donna Barnwell, and Misae Tanaka. At the present time, the team is without the services of Jane Callahan who is out with a knee injury. Coach Anderson stated that the team is lacking experience, but the girls are working very hard. The Lady Tornados host Spartanburg Methodist and Montreat-Anderson tonight at 6:30 in Boshamer Gymnasium. Coach Anderson and the team would appreciate support by the student body.

halftime in his football uniform. Now that's versatile.

In the quotable quotes department, Hank Stram, CBS football analyst, described New York Jets wide receiver Wesley Walker in this manner, "With his speed, Wesley has those defensive backs backing up from the moment he steps out of the bus."

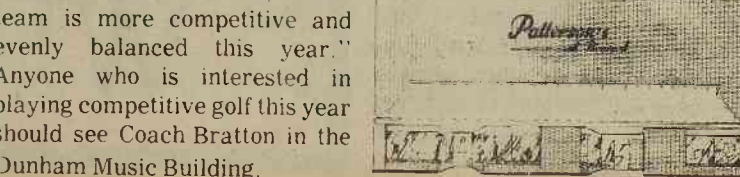

The winner of the Bubba's Pizza Football Contest is Pat Tate. Pat, a freshman at Brevard, missed three games but was the only contestant to pick Green Bay's upset win over New England.

The supposedly rebuilding Washington Redskins have surprised quite a few people by winning four out of their first five games. Curt Gowdy explained their current success in this way, "The youngsters play like veterans, while the veterans play like enthused youngsters." Now if somebody could just explain how Tampa Bay is 5-0....

Name of the season: Derrel Gofourth, offensive guard of the Green Bay Packers. Excuse me now as I must get in my order for some Woody Hayes tissue - a great Christmas gift no doubt?

Other members include Ted Price, Jay Sutherland, Doug Griggs, Cameron Tankersly, Larry Duckworth and Jeff Brison.

Coach Bratton feels, "The team is more competitive and evenly balanced this year." Anyone who is interested in playing competitive golf this year should see Coach Bratton in the Dunham Music Building.

Here's a look at some football notes. Have you purchased your order of Woody Hayes toilet paper yet? The tissue, painted with a caricature of former Ohio State football Coach Woody Hayes is being sold by Chuck Laterza, novelty toilet paper manufacturer in Fremont, Ohio.

Laterza stated that the Woody paper is outselling by 2-1 similar tissue featuring Michigan Coach Bo Schembechler on each sheet (a statistic I'm sure Coach Schembechler is greatly concerned about). He says he plans to keep selling his Woody paper until the inventory of 1500 rolls is depleted and will make more if Hayes decided to run for the Senate. It would be a great way to stay in touch with your Senator, right?

It has been said about many players that they are all-purpose and very versatile. However, Washington Redskins running back John Riggins used to carry it a bit beyond belief. Not only did he play both offense and defense on his high school football team, he also played tuba in the band at

On September 22, the Cross Country team went to Jackson, Mississippi to run in the Tenth Annual Jackson Invitational. On the five mile course, the Tornados finished third to defending national champion, Southwest Michigan and Jackson.

Captain John George finished second in the race with a time of 25:19. Freshman Ronnie Treadway finished fourth with a time of 25:29. Co-Captain Jeff Wentworth finished eighth in a time of 25:36.

Other runners to finish the race were Roger Saltsman, 33rd, with 26:34; Joe Briscoe, 37th, 26:44; and Tim Stewart, 48th, 27:05. Greg Stotler and Mike Bachman finished 55th and 59th but times were not recorded for the two.

But on September 18, the Cross Country Team won a meet over Carson-Newman and Milligan Colleges. The top three runners, John George, Jeff Wentworth, and Ronnie Treadway had stayed behind to practice for the upcoming meet at Jackson, Michigan.

Tim Stewart and Roger Saltsman tied for first in the 4.9 mile race. Joe Briscoe finished seventh with a time of 26:23. Greg Stotler came in four seconds later for a time of 26:27 and eighth place.

John George and Jeff Wentworth have been elected Captain and Co-Captain of the Cross Country Team this year. Out of the twenty runners on the team, they are the only two Sophomores on the team.

John comes to Brevard from Greensboro, North Carolina. He finished 17th in the nation last year at the National Junior College finals.

Jeff comes to Brevard from Pensacola, Florida. He finished 14th in the nation last year.
