Springfest '82

A 'Stompin' Good Time

by Craig Wilson

Brevard College decided to start its Springfest on Thursday, April 15, with Life and Culture.

The Brevard College Band played tunes that not many knew but were still enjoyed by the audience. Next on the schedule was Kier Irmeter featured at the Coffee House.

Springfest resumed after classes on Friday the 16th. A volleyball net was set up for those who wanted to run in and try to spike a few. A dance and a double feature movie, scheduled for the yard, were moved to the S.U. due to rain.

The rain continued and the scheduled events for Saturday were either postponed or moved to the auxiliary gym. The Plum Hollow Band, a modern bluegrass band, entertained those who came to the indoor picnic. Plum Hollow continued to play after the food was packed away. The music was so good that a few students ventured out and did a little "stomping." The Nelson Young Band was next up for pickin' to a light turn-out of Brevard College students.
