

Cagers Fast Break to a 4-0 Mark

Sophomore Donna Bishop practices her free-throw while sophomore Joan Keese looks on. The Lady netters will face Gardner-Webb next Monday for the season opener.

The men's basketball team raced to a 4-0 record last week, its best start in years.

In the first round of the Smokey Mountain Invitational Tournament at Montreat, the Tornados defeated the host team, Montreat-Anderson, 78-61.

Jeff Jones paced Brevard with 24 points, leading an overall balanced scoring attack.

Four other players hit double figures, including Darryl Lester with 13 points, Jeff Fender with 11, while Tim Phillips and Ricky Traylor scored 10 points each.

Earlier this month the Tornados won the Ross Burnes Invitational at Gainesville Junior College in Gainesville, Georgia. The BC cagers won their first round game over Truett-McConnell by a 94-70 score, and then edged host Gainesville 63-61 for the title, after trailing by eight points at the half.

Forward Jeff Jones won the tournament Most Valuable Player award with two fine per-

formances. Jones led the scoring in both contests, hitting 18 points against Truett-McConnell and 25 in the victory over Gainesville.

Tornado guard Larry Gaines made the All-Tournament team with 17 and 15 point performances, respectively, in the two contests.

In the season's home opener last Monday, Brevard blasted Presbyterian College jayvees 90-59. Forward Ed Jenkins led the scoring with 19 points, followed by Jeff Jones with 15.

Lady Tornados Tip Off Nov. 29

By Phil Monte

The 1982-83 Lady Tornado Basketball season tips off November 29 with a tough match against Gardner-Webb.

The team should be much quicker than last year's, with

more depth and range.

Composed of 13 players, the Lady Tornados will use a new sideline break offense designed to create more quick shots.

The main setback the team faces this year is the loss of sophomore Phyllis Walker, one of last year's outstanding players. She has been benched with a knee injury until January.

Crystal Stevenson and Alicia Mikell should be able to fill in at the low post positions. Also freshman Kathy Marlow and Netty Wharton look very promising.

Coach Sunbury summed up her thoughts on this season by stating, "Every girl on this team has been working very hard, and if they keep at it the potential is there to have a winning season."

As an extra incentive for the student body to attend the games, Ms. Sunbury says there will be a \$5.00 prize to any person who can make a shot from half-court during half-time.

Witek Named Coach of the Year In NJCAA Cross Country

Norm Witek, Brevard College cross-country and track coach has been named NJCAA National Cross-Country Coach of the Year.

Witek has a long history of success at Brevard. Earlier this year Witek's three-man marathon squad won the NJCAA National Marathon Championship. His cross-country teams finished second in the nation for the past two years.

This year's cross-country team defeated 90 colleges while losing to only three. Seventy-six of the defeated teams were four-year varsity squads.

Witek's squad has 65 consecutive dual meet victories.

His team won the prestigious North Carolina State Championship, and on November 13, won the NJCAA Cross-Country Championship, giving Witek two national championships in the same year.

Cross-Country coach Norm Witek displays the awards gathered in his best season ever at Brevard. Shown are the NJCAA national marathon and cross-country trophies.

NIGHT SHIFT

Now you can shift money between your checking account and savings account any time, night or day. Any day of the year. Or you can make withdrawals and deposits, or almost any transaction you could conduct with human tellers.

But only at First Citizens Bank 24, Brevard's first and only automatic teller machine. So be sure you have a First Citizens Bankcard. Our night shift is waiting up for you.
