Tennis

Women's Team Presses Onward

By Susan Rogers

The Brevard College women's tennis team currently holds a record of 6-4 with only two matches left in the season. "Our only losses have been to four-year schools," said coach Deana Morrow.

The team won their last match, against Montreat-Anderson College, 9-0. "In a competition there are six singles matches and three doubles matches, in which the teams receive one point for each match won. So nine points is the highest score a team can receive," said Morrow.

Morrow is optimistic about the team's chances in the upcoming Region 10 Tournament at Peace

College in Raleigh, N.C. She says the team members have worked very hard and that if they continue to play as well as they have recently, they should do well in the tournament.

Freshman Kristin Iberger suffered a foot injury and will be unable to play for the remainder of the season. According to Morrow, the loss of Iberger will "hurt in the tournament." Iberger said, "It is unfortunate that I was hurt because I was really enjoying playing with the team."

Players returning next year are Mara Klein, Kristin Iberger, and Megan Johnson. In addition, Morrow has signed Lynn Simril, of High Point, N.C., to next year's team.

31:04.5. Brevard not only won the 2-mile relay, but set a school record of 7:49.49. Allen Ford (2:02.66), Alphonse Swai (1:54.75), Glenn Roach (1:58.16),

and a fine anchor leg by Jim Parietti (1:53.92) broke the old record of 7:52.6. Brevard had fine finishes from Kelvin McRae, second in the 100 meters with a time of 10.89, and Patrick O'Grady, second in the 3000-meter steeplechase in 9:42.6.
