Movie: "Victory" Student Union 8:30 p.m.
- Oct. 16  
BC Band Performance Cancelled
- Oct. 17  
Fall Vacation Begins

# Intramurals Underway

By John Corish

Bob Hutchison, resident tutor for East Beam Dorm, is in charge of intramural competitions this year. He has a full line of events planned for the year. He is assisted by sophomore Adam Jagelski, a transfer from Clackamus College in Oregon.

Some events scheduled for the year are volleyball, which is already underway; flag football, which could possibly be co-ed; basketball; pool; ping-pong; co-ed softball; and a swim meet. Trivia and choir competitions could also find their way into the schedule.

Anyone with ideas for competition or interested in helping (referees are paid \$3.00 per game), can contact Bob Hutchison in the RT apartment in East Beam Dorm.

(Continued from Page 1)

daily trips to the Newlan Medical Building at 9:00 a.m. and 2:00 p.m. to take students who need additional medical attention. If a student needs medical aid during the weekend, he should contact his RA or RT.

Homecoming, an event anticipated by many students, will be Saturday, October 13.

Formal attire will be required for the dinner which will be served in the cafeteria from 5:30 to 7:00 p.m. Invitations will be sent and a special admission fee will be charged.

A representative from Emory University's School of Nursing will visit our campus on Wednesday, October 3, to discuss their program and the opportunities it offers prospective students in the field. All allied health majors and other interested persons are encouraged to attend. The meeting will be held in McLarty-Goodson 118 at 10:00 a.m. Contact Bob Glesener for more information.

**WANTED:**  
Students who would like to exercise horses for retired ladies. Should be competent riders. Contact Rose Tillinghast at 877-4222.

# Tornados Having Tough Time

By Eddie Tadlock

The Brevard College soccer team lost its opening match to a well-prepared Anderson College team, 2-0.

The nationally ranked Tornados played a fair game, trailing 1-0 at the half after missing a penalty kick earlier in the game. In the second half, the Tornados did not fare much better, despite valiant efforts at goal.

Anderson put the finishing touches on the game, scoring late in the second period to hand Brevard its first defeat of the regular season.

On Saturday, September 15, the Tornados traveled to Montreat-Anderson and defeated the Cavaliers 4-0. Alfredo Moya scored two goals, and Leo Col-

eman and John Folckemer each added a goal. Brevard dominated the entire match giving up only four shots on goal.

On Wednesday, September 19, the Tornados traveled to South Carolina to challenge Spartanburg-Methodist College. Despite another close contest, the Tornados lost 3-2. Trailing 3-1 at the half, Brevard could not fare better than a single goal in the second period to come within one point of S-M. Alfredo Moya and John Folckemer scored for the Tornados.

In view of an overall record of 1-2-0 in Region X Competition, the Tornados still have a long season ahead to improve upon their record.

Brevard College has had difficulty against strong opponents early in the season.

# Harriers Run Well At Berry Invitational

On September 15, the Brevard College Roadrunners beat out twenty senior colleges to win the Berry Invitational. The top five teams were Brevard College with 42 points, Georgia State with 117 points, North Florida with 118 points, Berry College with 146 points, and the University of Alabama at Birmingham with 147 points.

The Roadrunners used their great depth to easily defeat a very large field at the competition. Brevard put its top five men within ten seconds of each other. BC's Rodney Curry, a transfer from Clackamus Community College, finished in a tie for sixth place with teammates Glenn Roach and Charlie Purser in a time of 25:47 over the rough 5.1

mile course. Patrick O'Grady, who was in second position with 300 yards to go, developed muscle cramps and had to be helped by teammate Henning Brandt, who both finished in tenth position in 25:51. Winston Brown finished in twelfth position in 26:04 and Randy Ashley finished in fifteenth in 26:04, rounding out the top seven. Brevard's other placers were David Mays, 19th; Adam Jagelski, 22nd; Sam Dantzler, 24th; James Thompson, 39th; Charles Hinkle, 50th; and John Fillyaw, 101st.

Though Brevard does not have the front runner typical of most of its past teams, this year's success will come from a very tight-knit group made up of its top seven runners.
