Lady Tornados-Keeping Their Spirit

by Bonnie Davis

In the game against Spartanburg Methodist College last Wednesday night, the Lady Tornados suffered a disappointing loss, even though they played a tough game. The final score was a hard to swallow 51-79.

The half-time score was a close 28-35, with Carmen Nelson leading the way with 7 points. Ruth Earle and Beth Harrell were also playing a good game, when in the first half Earle got struck above the eye and was taken to the hospital to have stitches put in. There were a couple of great turnovers for the Lady Tornados, but they just didn't seem to be able to make them work in their favor. Susan Seymour was hitting well from the corners of the court and was top scorer of the game with 16

points overall and Shelley Ivey followed close behind with 12.

Coach Jane Long commented before the game about what a victory would mean to the team. "It is a conference game and is important to our confidence." Even

The one bright spot for the Lady Tornados throughout the disappointing game was the fact that teammate Antoinette Smith, who was injured in a car accident last November, was there to cheer the team on.

though the last few games have been disappointing, Long says a lot of that has to do with the fact that more than a few of her players have been stricken with various illnesses. Hopefully the women won't let this get them down with the conference tournament coming up.

Men's Basketball Impressing BC

by Bonnie Davis

Domination was the name of the game for the Brevard College Tornados mens' basketball team as they rolled over the Spartanburg Methodist players last Wednesday night, February 19th. The opponents barely even worked up a sweat as the Tornados whirled them away with a final score of 84-49.

BC got a quick jump on the game, scoring 10 points in the first five minutes while SMC scored only two. There almost seemed to be no hope then, for the Tornados kept that lead throughout the entire game, even doubling it. In half-time statistics, Ricky Chatman was the leading scorer, while Anthony Hailey came up with the most rebounds. With some great teamwork these two players lead the Tornados into a half-time score of 37-18.

With a fired-up crowd of fans to urge them on, the men came out in the second half even more revved up. SMC managed to play better ball and score some points, but BC had such a wide lead that BC had

nothing to worry about. Hailey, Chatman, and Rodney Deyton all played great games, hitting most of what they shot, and with fellow teammates aiding in key offensive and defensive plays, the Tornados were unstoppable.

Brevard dominated throughout, keeping the action fast-paced. The crowd was in a rowdy mood, giving a lot of good natured heckling to a few marked opponents. Some of the fans even showed some hysterically funny school spirit as four young men made themselves impromptu cheerleaders by executing pyramid stunts and cartwheels during time-outs.

Sophomore Rick Chamberlin commented on the action of the game. "It was exciting, even though we beat the you know what out of them." And the final score only goes to prove this true as the BC Tornados ended the game with an overwhelming score of 84-49.
