

Soccer Coach Scarborough looks for "a super year"

Men's Soccer Head Coach Don Scarborough can't hide his enthusiasm. "This truly could be the best season in Brevard College soccer history," he said. "I'm overly optimistic."

Not only are his returning players last year's basic starting line-up which carved out a healthy 11-5-1 record, but Coach Scarborough calls his new recruits "far above your average for a typical two-year school." And he predicts, "It's going to be a super year."

Among the recruits are: David Chun, a midfielder from Garland, Texas, where he was named the MVP in the Texas State High School Tournament, Division II; Joseph Brooks, a Liberian soccer star; Scott Hubbard, a defender from Winter Park, Fla.; and Mike Taylor, an outstanding player from Erwin High School, who last year was honored for Most Goals Scored and Best Offensive Player. He is also the younger brother of BC grad and Assistant Soccer Coach David Taylor.

Other outstanding recruits include: Louis Rosen, one of the top defenders in Florida; Clay Huckaby, a midfielder from Douglasville, Ga.; Mark Higginbotham, a midfielder from Tallahassee, Fla.; and another Tallahassee player — Don Rett, a goalkeeper; also Doug Robinson, a defender from East Burke High; Steven Smith, an Orlando, Fla., defender; and Grant Thompson, a T.C. Roberson High School defender.

Also, Coach Scarborough is pleased with the return of Paul Bivens, who had to take a year off to recover from an injury. Bivens, a member of the 1983 BC team that went all the way to runner-up position in the NJCAA Southern District tournament, will be called upon to pick up the scoring punch from the Tornadoes' all-time leading scorer Alfredo Moya, who has transferred to Erskine.

Coach Rinker: have horses -- will run

Coach Dave Rinker has big running shoes to fill.

Rinker takes over this year from veteran Brevard running coach Norm Witek whose Tornadoes have won the National Junior Collegiate Athletic Association cross-country national championship for the last four years.

"He's got the horses," said President Billy Greer, "and he's got the know-how. We could have looked the entire country over and not found a finer cross-country coach; he's going to run with it," President Greer said emphatically.

Coach Rinker looks at this year's team as a "good mix of experience with a lot of

good young people coming in," adding, "I've been impressed with their summer work."

This year's fall schedule for the men's and women's cross-country teams include seven meets, beginning on Sept. 13 at Wake Forest, one home meet against UNC-Charlotte and Furman on Oct. 23, and climaxing with the NJCAA National Championship on Nov. 8 in Hagerstown, My.

"It's a very ambitious schedule," said Coach Rinker.

Sept. 20 — The University of South

Carolina at Spartanburg Invitational, Spartanburg.

Sept. 27 — The Malone College Invitational at Canton, Ohio.
