Intramural champions Named

by Kim Belanger

Volleyball intramurals finished up its competition Oct. 9 with Green Basement's "Gang Green" team taking first place honors in the men's division and the West Beam basement team were the winners in the women's division.

League Champions with the best overall record received a trophy and the winners of each bracket were awarded t-shirts.

Volleyball is a game in which the "kids who do not have sports skills can come out for," says Coach Norm Witek, director of the intramurals program.

Day Student Samantha Wesley was the

glue that held everything together by being Witek's assistant director of the volleyball competition. She was in charge of making schedules, putting up posters, and refereeing games. "I just made sure everything went smoothly," she said.

Flag football intramurals are now in progress.
