Brevard College's Women's Tennis Team lost to Gardner Webb in their first match here at BC on March 21.

Coach Jane Long said, "For the first match of the year, with all the inexperienced players on the team, I felt we did a good job. In addition, I felt like the players did a fantastic job of regrouping after the death of one of the player's mother."

GW forfeited the number one singles match to Amy Mullins, and the number one doubles seed to Selena Lauterer.

Karen Ellis won her match against GW's Kim Hooker 6-4, 6-3. Selena Lauterer lost her match to GW's Paula Myers 5-7, 3-6. Mary Nall lost to GW's Becky Lee in split sets, 2-6, 7-5, 4-6. Sara Booker lost to Andrea Bennet 6-7, 5-7. Missy McCranie lost to Heather Icenaver 3-6, 2-6.

## Dave Taylor takes over as soccer coach

by Juan Kincaid

Next season's men's soccer team will not only have different players but also a different coach. David Taylor took over the position after Don Scarborough announced his appointment as the College's new director of development.

Taylor will begin his first year as head men's coach in the fall of '88. Taylor also coaches the women's team, and he has proven to be a very competitive and challenging coach.

Taylor, an Asheville native, graduated from Brevard College in 1977. He returned to Brevard in 1985 from T.C. Roberson where he was the head soccer coach. Taylor played for Staminton F.C. in Sheffield, England in 1980-81 before returning to the states and getting his bachelor's degree in business management from Appalachian State University. He also played for their soccer team when they were nationally ranked. In 1984, David was an Olympic Soccer Team Trialist.

Taylor believes that winning is "an attitude, an effort and a behavior" and not the numbers in the win-loss column.

When asked about the difficulties of following in Don Scarborough's footsteps, Taylor said, "Don Scarborough will be a tough act to follow. So I don't plan to try and fill his shoes because I know that's impossible. I do plan, however, to continue to lead the program down the path of success that Don has lead before us."

Taylor also emphasizes the importance of education and the benefits of graduation from Brevard College. He currently holds a USSF coaching license.

Taylor announces that try-outs will be held for next year's soccer teams: Men- April 9, and women, April 23, both at 9:30 a.m. on the practice field.
