"SCA's CCDP programs are an excellent opportunity for students to get a true taste of the working world. The training I received throughout my internship has definitely made me more marketable. This internship was a catalyst - a quantum leap in my experience." Matthew Spille, Cincinnati

## SURVEY

What keeps you here at Brevard College?

What do you like about Brevard?

Do you have any suggestions on how to improve the College?

What kind of activities do you like that are offered/ that are not offered?

Are you part of any clubs or organizations? If so why? If not why not?
