CLARION

Athletic Conference Championships and competed in three Region XII Championships. Nothing less is expected out of Brevard College's baseball team this year.

Athletic Training

By [Name]

The athletic training program at Brevard College is a comprehensive one that prepares students for careers in the field. The program includes coursework in anatomy, physiology, and kinesiology, as well as hands-on experience through internships and clinical rotations.

Students in the program will learn from experienced faculty members who are active in the field. The program also offers opportunities for students to participate in various sports and activities, providing them with practical experience in a real-world setting.

The program is designed to provide students with the knowledge and skills necessary to succeed in the athletic training profession. Graduates of the program are well-prepared to enter the workforce and make a positive impact on the lives of others.
