On April 25, Head Coach Bobby Poss announced the inaugural 70-member Brevard College football roster set to take the gridiron in the fall. Along with high school seniors from around the southeast, the roster included six current BC students.

Dustin Young, Joel Gerolimatos, Karl Kuester, Sean Flanagan, Dustin Martinelli, and Brett Carpenter have all signed letters of intent for the 2006-2007 season.

Young, a 6'3" 235 lb senior from Waynesville, came to BC to play basketball in 2002. After having played football for 10 years, particularly at slot-back, Young looks to help the Tornadoes at nose-guard or defensive end in the fall. "I just want a chance to play the game of foot-

ball and help the program," Young said.

Gerolimatos, a 5'9" 185 lb freshman, graduated from A.C. Reynolds High School in 1998 where he played under Coach Poss as an outside linebacker. After spending some time as a firefighter and an EMT in Ohio, joining the Naval Reserves, and receiving an Associates Degree in Criminal Justice, Gerolimatos came to BC this semester and intends to spend his last semester of eligibility with the Tornadoes in the fall.

Gerolimatos' younger brother, Luke, will join the program next year as well. "Even for just one season the opportunity to suit up and play alongside my little brother on the college level is going to be a realization of a dream I have had since high school," Gerolimatos
