

**SGA Report:**

**House members appointed to committees**

by Jamie Michaels  
Opinion Editor

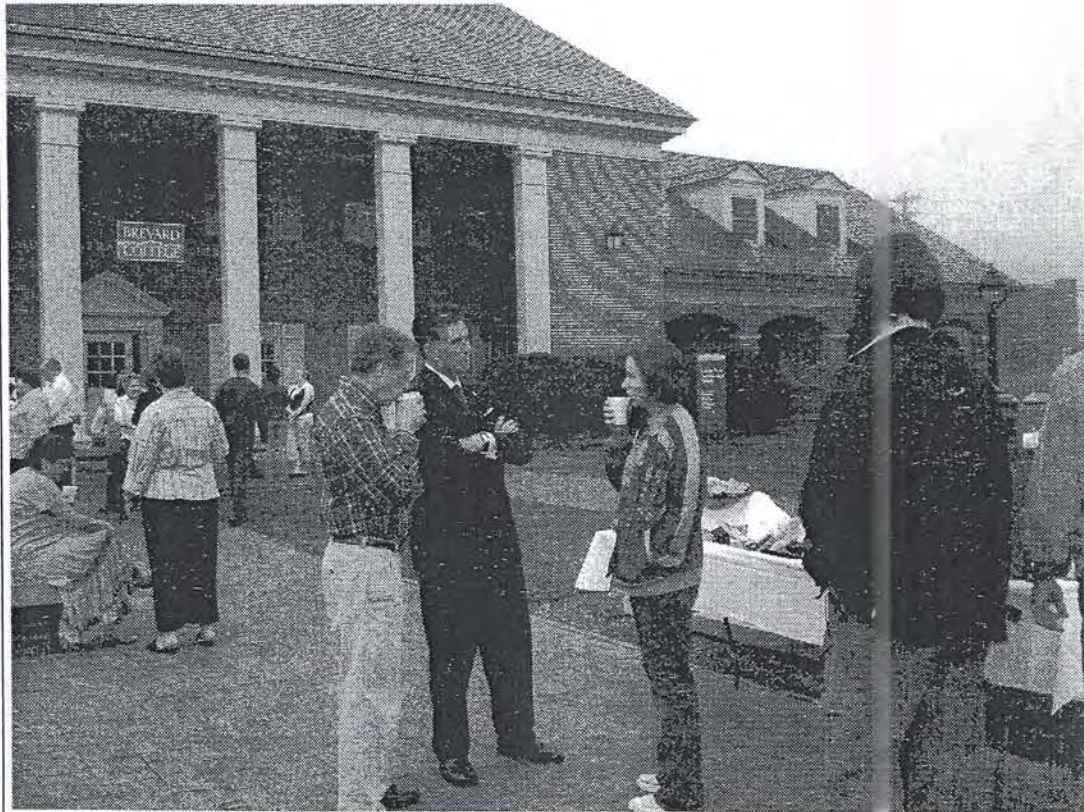

Tonight's meeting of the House of Club Representatives had a short agenda, as the last joint session meeting covered quite a bit of material.

House members were appointed to standing SGA committees (Appropriations, Club Oversight, Rules, and Constitutional Review), and asked to participate in CAB events. Club requirements were discussed, and the meeting was adjourned, with nominations remaining open for the upcoming elections.

The Appropriations committee met directly following the meeting to review club budgets; Treasurer Sarah Lange will be notifying club representatives regarding whether or not their budgets were approved.

Next week's SGA meeting will be for the Senate at 7:30 p.m on Wednesday in MG 125.

Students remove trash from the French Broad River

**River cleanup a success**

The Geology Club and Headwaters Outfitters hosted a river clean-up on the French Broad River on Sunday, Oct. 1.

Six BC students and two additional people collected over 1280 lbs of trash within three hours.

Participants included: Aaron Motley, Melissa Layman, Kelsey Bracewell, Adam Beeson, Kyle Willis and Victor Bubiouc, Reese Motley and Hodges Motley.
