

**WLEE Majors**

"Stupid Security banning slack lining! I really need this Camelbak for my .02 mile walk to class. Dude, my dred-turds itch."

**The Wispy Majors-

"Look at my flowy 70's dress! Aren't I unique??? I somehow manage to get paint all over myself in class, then wear it all day like a badge of pretential!"

**General Nerd Majors-  
Math, Science, Enviro...**

"Ahoyle! I could pass for normal and probably will get better jobs than anyone else here... but some of us just can't resist wearing the extra 'gear,' thus ruining it for everyone."

**The Moody Majors-  
English, History, Psych...**

"I'm just so angsty... I just have to WRITE and SMOKE and wear cardigan sweaters! Nobody gets me!"

**Business Majors**

"My teeth are dryin' out from all this mouth-breathin'. Someone get me a new spit bottle, I done filled mine up."

**Miss K**

**Seems like everyone is willing to perpetuate the stereotypical dressing to your major here at BC. If so, what's up with you business majors? Where are your suits and ties? I guess taking over PawPaw's chicken neck business doesn't require much fashion sense. Slackers...**
