Celebrity Gossip

Friendly Divorce?

As previously reported by Gossip Girls, Pink and Carey Hart have decided to pull the plug on their relationship - announcing plans to file for divorce. Since that time, the punk singer has written about the situation by reaching out to her loved ones on her personal web page.

Pink wrote: "Hi everybody. I wanted to reach out personally to all my fans/friends out there in the world. First and foremost, thank-you for all of your support and love, it means a lot to me right now. The most important thing for you all to know, is that Carey and I love each other so so much. This break up is not about cheating, anger, or fighting. I know it sounds like cliché bullsh*t, but we are best friends, and we will continue to be. All I know at this point, is that I want to make the best album I can, and Carey wants to do the best possible job he can with everything he has going on. He is a good man, so please support him as well. One never knows the future, but mine and Careys' just might involve beach babies and sunshine one day. Just not right now. Thanks for the concern and caring. X Miss P"

Busted!

As a follow-up to the Gossip Girls story about Barron Hilton's DUI arrest yesterday, reportedly he is currently free on bail. The 18-year-old brother of Paris and Nicky Hilton was sprung from jail by his friends. Apparently neither Paris, nor the Parents Hilton were willing to help him out. And it's expensive to be a friend of Barron's. According to a source, it cost Hilton's friends all of \$20,000 to free him from the slammer. Once free, Barron left the Lost Hills Sheriff's Station in Malibu and was transported away in a waiting SUV. He'll face charges of DUI and carrying a fake driver's license at a later date.
