

American Heroes

Here at *The Clarion*, we recognize that there is a quality found only in Americans that makes our nation so great in relation to other countries. No, we're not talking about democracy, this quality is much more important. Even when 2/3 of his country no longer supports the war effort in Iraq, Dick Cheney refuses to care about anyone else's opinion on the war. Therefore, due to your rugged individualism and egocentric attitude, we salute you, Dick Cheney, this week's American Hero.
