Sea Kayaking Trip- This Saturday, October 8, Outdoor Recreation will sponsor a sea kayaking trip to Cascade Lake and you will have the opportunity to paddle to Hooker Falls in DuPont Forrest. All experience levels are welcome you will just need to be willing to learn and will need to be comfortable in the water and willing to flip upside down in a kayak to practice wet exits. If you want to go we will be leaving Ross Hall at 1:00 pm, you only need to bring water and cloths you don't mind getting wet. Need more information? Contact David Lackey, lackeydc@brevard.edu.

Powderpuff football- Brevard College's annual powderpuff football game is this Sunday, October 9 at 6 p.m.. The women form the two teams while the men cheer for them on the side lines. It is a tradition that most people on campus truly enjoy watching, if not participating.

Megan Walters, assistant dean of students said, "Colleges, Universities, and High Schools all over the country host Powderpuff games annually! The history of Powderpuff football is excellent; Dakota State University (formerly Eastern State Teachers College) hosted a Powder Puff game in response to a cancellation of most campus activities during wartime in 1945. The traditional homecoming football game could not be rescheduled, so the women thought "Let's do this!". The game was a huge hit and continued yearly! Typically, powderpuff games serve as a fundraiser. Ours is no different! All donations will benefit the Susan G. Komen foundation. Bring your change to the game!"

So come out on Sunday and support your favorite team (or cheerleader) while raising breast cancer awareness for!

Post Secret presentation at Talks and Topics

By Cassie Smatana
Staff Reporter

Talks and Topics this past Wednesday, was a great lecture by Dean of Students, Dr. Chris Holland about the Gay Lesbian Bisexual Transgender and Queer community and the issues they face within religion. The group of about 10 students and a few staff members discussed the topic. I was enlightened and think it was nice to get a better understanding of what's going on with some of the issues they face. Don't miss the next Talks and Topics on Tues. Oct 11 in the RDR at 7 p.m. Megan Crowson will lead a discussion about Post Secret.

Tonight, CAB will present ROCKBAND Night in Dunham starting at 8 p.m. I challenge you and your friends, to come jam out with me and the other members of CAB for a fun night of music and snacks!
