

# 1st annual 'Joyce to the World'

Thea Dunn

**S**tudents and staff gathered in the Jones Hall lobby last night to enjoy hot chocolate, cookie decorating, and Rev. Dr. David Joyce's reading of *The Night before Christmas*. The president was accompanied by his wife, Lynne Joyce, to the festively decorated lobby where the Christmas tree touched the ceiling and the gingerbread cookies were abundant. Dr. Joyce, along with Campus life staff, hope to carry on this tradition in years to come.
