

Huck Finn Day

Volunteer Day presented by SGA and BC Serves

By Alex Webster
Staff Writer

A committee group from SGA has been planning for a volunteer day during the past few months. There are five different projects for students, alumni, and community members to participate in. The main project for the weekend is beginning the renovation of The Underground. Some of the other projects will include picking up trash at the creek, cleaning the laundry rooms in Jones, Beam, and Green, and repairing desks in MG.

The projects will all be on Sunday, April 13th. Everyone will check in and receive a group assignment and meet with group leaders at 9 a.m. The Caf' will be open at 8:30 a.m. for a light breakfast for all the hard workers. There will be a break for lunch in the RDR and there will be a small snack in the afternoon as well.

If you are interested in participating, contact Sam Blakely at blakesh@brevard.edu or Alex Webster at websteca@brevard.edu to sign up for a specific project, or just submit your name to volunteer. Look for the schedule in the Clarion next week for all the events.
