

*Coming in fall 2014*

## New off-campus housing available

A new housing option will be available next semester and it will be off campus. Brevard College will open the Holly Cottages and U Tree Cottages at The Brevard Place this coming Fall 2014. Brand newly renovated rooms will be air conditioned, fully furnished double occupancy rooms with private baths.

The Brevard Place, will have a common kitchen area and a recreation room on site. The Brevard Place is one mile from the College at what used to be called the Roadway Inn. It is a great alternative to those who wish to have the off campus experience. This facility will be move-in ready by August 1.

**Exterior rendering plans (top) for the new off-campus housing selection. The building site (below) is a working plan. The room layout (right) should look something like this when renovations are completed.**
