Second Annual I ♥ BC Day

By Jessica Wiegandt
Staff Writer

Brevard College is hosting an all call for students, staff, faculty and alumni to show their love and support for the school. This is the second annual I HEART BC Day and it is filled with various activities that reflect on how BC has impacted its students, staff and community and give back to the College.

This event was created to bring together the community of BC and allows students to interact with faculty and alumni. During the day, staff will be in the caf telling stories of how BC has impacted them. Staff will also be accepting donations to the Brevard Annual Fund, which impacts scholarships for students.

"I HEART BC Day is primarily a day of celebration during which all members of the BC family celebrate Brevard College by giving back time, love and support." Sara Jerome, Alumni and Development Specialist for the college, said.

The BC Greens and BC Serves clubs have spearheaded the on-campus philanthropy by hosting a campus beautification project. Students will meet at Bill's Boiler Room at 1:30. There will be a litter pick-up along with a flower planting. The service time is expected to take approximately one hour.

"This is a great opportunity if you still need service hours, or just want to make the campus look nice." Kate Brandhuber, President of BC Greens, said, "I'm hoping to see a lot of student interest come out and serve this school."

Students and staff have been encouraged to wear the I HEART BC shirts for this day, which are available in the Alumni House and Communications Office. Students are also encouraged to show college support by posting pictures throughout the day that are representations of what the college means to them, using the hashtag #IHeartBC and tagging @brevardcollege.
