Queer Quips and Quotes

"First--let me say this--in spite of what the liberal press and the gays themselves have said, I don't hate homosexuals...."

"Militant homosexuals are plotting a dangerously different future for America!..."

"Homosexuals intend for you and me to pay with our tax dollars for their plot to dominate American morals, society, religion, education, television, and politics!..."

"I know you don't want to see the family values that you hold dear replaced by the anti-God, anti-family, anti-American values of the homosexuals...."

"With your help I will launch a 'truth campaign' to counter the homosexual attack on America."

"Here is exactly what I am going to do:

"• First I will launch a campaign to educate the American people concerning gay rights ordinances and the observance of Gay Pride Week.

"• Second, I will send our best researchers to Washington to study the Gay Rights Bill which has now been introduced in Congress.

"• Third, I will educate and alert Americans through the Moral Majority Report newspaper and the Moral Majority Report radio program to the gay threat and urge them to get involved at the grass-roots level toward informing every American...."

"No true Christian can vote Democratic Party." /s/ Jerry Falwell

(Quoted from Aug. 9, 1984 appeal letter from Rev. Jerry Falwell)
