

# Top **HOT** Women (By UNC Women who LOVE Women)

② Post-*Black Swan*, women are “jete”-ing themselves at Natalie Portman.

① Topping our list is Scarlett Johansson, and she has UNC women lining up to ride her voluptuous curves.

③ Let's face it, Caribbean women are hot. And when it comes to Rihanna, a little kinky too.

④ Whether in English or Spanish, Shakira proves that she's still *muy caliente* to the touch.

⑤ Despite being a former “Plastic,” women know that Rachel McAdams is definitely real - real hot that is!
