NUMBER 4

## Trojans Break Up Campbell Homecoming 7-6

### Trojans Play E. C. T. C. On Monday

ARMISTICE DAY GAME TO BE PLAYED AT GREENVILLE

The Louisburg College Trojans will meet the strong E. C. T. C. football team on Monday Nov. 12 in what will be the feature attraction for the Armistice day celebration. The Trojans, thus far have won two, tied one, and lost three, and will be attempting to bring their average to .500 for the season.

Reports from Greenville indicate that the Teachers have a very strong team and will be out to get their first win of the season from the Trojans. It is hoped that a large delegation of fans from Louisburg will be present for the game.

### Purple & Gold Invade B. Creek

When Louisburg decides to do something they certainly do it right. They made up their mind to beat Campbell and to have the whole school there to see it done. By bus, car, and truck they set out for the battle field. A truck load of boys braved the winter winds in an open truck bedecked with banners proclaiming them the L. C. Expeditionary Forces to Beat Campbell Again in order to be in at the death.

About 150 enthusiastic supporters made the trip, and were well rewarded when the Trojans again defeated the "Boys from Buie's Creek." It was a great day for Louisburg.

### Hallowe'en Party Is Held At College

On one night out of every year the grown ups join with the young people in their fun making—Hallowe'en Night. On Wed. Oct. 31 the faculty and students of L. C. had a Hallowe'en Party in the outer dining hall. Every student and faculty member was present and most of them were in costume. Most of those present had their fortune told while several played that old favorite game—Post Office. Some of the lassies, such as Esther Mae, "Pokey Huntas" and Peggy were dressed very becomingly as Pirates, showing off their feminine charms much to the young gentlemen's delight.

While the party was held, supposedly, in the dining hall much of the fun making was under the entrance steps and in the History class room. Even little Jeff Boland his lady fair down the hall to the water fountain but as yet no body has accused Jeff of drinking any water. Big Mutt Nelson did a little plain and fancy wrestling during the night of fun and merry making.

He who will fight the devil with his own weapons, must not wonder if he finds him an overmatch.—Ex.

### Students Stage Treasure Hunt

JEFF BOLAND'S GROUP ARE LUCKY WINNERS

An event much enjoyed by the students was the Treasure Hunt held on the campus Saturday night October 27. It was given as one of the regular Saturday night parties for the entertainment of those students not lucky enough to go home every week-end. We owe a vote of thanks to Miss Stipe and other members of the faculty for starting this custom and we hope they will keep up the good work.

The party began at eight o'clock in the students' Social Hall, where Miss Bruns and Miss Ewart gave the rules of the game. To begin with everyone was divided into groups and each group elected a captain to direct their search. After this, each captain was given a sealed envelope containing a jumble of letters which had to be assembled together to form the first clue of the hunt. Soon the chase was on and the campus echoed with shouts of "Hurry up" and "Here it is". After much confusion and fun, the trails began to lead everybody back to the Social Hall where the last clue for every group was hidden. The first group to get back there with all their clues right received a prize, a box of candy. The group led by "Jeff" Boland was the lucky one. Various talented members of the student body entertained for awhile, and then came the call to refreshments. Everyone lined up and passed the grab-bag from which each one person took a package. At eleven o'clock, the party adjourned.

I hate to see a thing done by halves; if it be right, do it wholly; if it be wrong, leave it undone.

What and how great the virtue and the art to live on little with a cheerful heart.

He gives double who gives unasked.—Arabia.

### Who's Who

When one is thinking about Who's Who in L. C. one of the first we think of is Carolyn Whitley. She was born on Nov. 6, 1916—which means she will be 18 Tuesday. "Happy birthday Carolyn". She graduated from Stantonsburg High School in '33 and was a star basketball player during her high school career. By the way, she started a wonderful basketball career here at L. C. She is president of the "13 Club" and House President of the Student Council. She maintains a very high scholastic record. And last but not least she says, "I've never been in love"

Can you imagine that? Well, there's a break for someone, and all that we ask is, "Boys just be careful not to break down the front doors when you come rushing over 'case it's kinda cold these hyere days."

### Adam And Eve

PRODUCTION SCHEDULED FOR NOV. 23

The first play to be presented by the dramatic club this year will be "Adam and Eve" by C. L. Eadly. It is a three act comedy dealing with the love complications of five young folks, a business-minded father, and his socially minded wife. The efforts and attempts of these young folks to gain the parental blessings for their plans lead to a very surprising and joyous climax when a seemingly hopeless tangle is straightened out as if by magic.

The cast includes the following: Buck Holder, as the vagabond author, Adam Mason; Louise Brown, as the attractive and likeable Evelyn Armstrong; the part of Eve's business-like uncle is portrayed by Stuart Godfrey; Agnes Tharrington plays the part of Mrs. Armstrong a lady with a rather grand and overbearing manner; the part of the happy-go-lucky son is taken by Bob Edwards; Nell Davis is the rather spoiled and headstrong daughter; Wilimena Smith is the attractive and very efficient young secretary; Lucille Johnson is cast as the maid in the Armstrong household.

Miss Peyatt has been working great changes on the old Opera House, and all of the sets have been refinished. "Adam and Eve" certainly should be a winner, and we await November 23 with high anticipation of seeing a real play.

### Alumni Notes

At last we have heard from Virginia Diebel of Norlina, the president of the girl's student council for the year 1933-34. "Vinnie" is ministering to the sick at St. Luke's Hospital, Bethlehem, Pennsylvania.

Ida Fuller a graduate in the Fine Arts and the Business departments of Louisburg, stopped by one Sunday for a brief visit with old friends before returning to Meredith.

Winfred Shaw paid us another brief visit the other Sunday when he brought his sister back from a trip home.

Hallowe'en night, Miss Emily Avent of Whitakers dropped in to say "Hello everybody" before going on down to the dance given in town.

Sarah Hicks of Louisburg a graduate of the Fine Arts and Business department, is employed by the Louisburg telephone office.

James Boyette of Kenly, a graduate of the Engineering department, is attending the University of Cincinnati this year.

Miss Mary Wheless, of Rocky Mount, a former business student spent the past week-end here as the guest of the "Kappas".

Cora Beasley, a graduate of Louisburg College and Duke University is employed in this city.

Marie Parker a former Louisburg student who is now attending W. C. of U. N. C., spent the week-end with her parents in Louisburg.

From all appearances, Eckerd's in Raleigh is a popular place with L. (Continued on Page 4)

### Y. M. C. A. Notes

The regular meeting of the Y. M. C. A. held Monday Oct. 29th. proved to be a very inspiring and peppy one. The original purpose of the meeting was to have a joint meeting of the Y. M. C. A. and the Y. W. C. A. However, the girls were not fully organized so the meeting was held without them. Then the football boys had to attend "skull" practice. This left a faithful few. So the program was very informal and impromptu. After devotional and music the president called upon several people present for talks on Trojan spirit and the L. C.-Campbell football game.

Mr. Bray made a very inspiring talk on a versatile student and urged the boys to really co-operate with the football team. Buck Holder made a plea for the support of the boys in cheering. Dr. Fitzgerald proved himself to be a regular "feller" when he gave a very peppy talk on fighting spirit in a football game. We believe that he would make an excellent cheer leader.

After the meeting adjourned, the boys gave several cheers for the team.

### History Of Louisburg C.

After the failure of the expansion plan the College lost some of the position and prestige it had held among the Junior Colleges of the nation but it still carried on. There were two disastrous fires, one in 1927 when the building erected in 1802 was burned and one in 1929 when the Main building was damaged.

The depression hit the College very hard and for a time it was planned to sell the College to another denomination but the Methodist Conference decided against this plan.

In 1931 Dr. A. D. Wilcox pastor of the Louisburg Methodist Church for several years, was elected President of the College. He immediately took steps to save the College from closing its doors and his efforts were rewarded with success.

Also in 1931 it was decided to open the doors of Louisburg College to men so it now became a co-educational institution. Despite the financial conditions now prevalent the College has remained one of the most outstanding Junior Colleges of the South.

Newby Crowell

### Football Record

Louisburg 7, Wm. & M. Frosh 25
Louisburg 0, Naval Apprentice 14
Louisburg 6, Gallaudet 6
Louisburg 45, Wm. & M. (Norfolk Division) 0
Louisburg 6 Bluefield College 19
Louisburg 7, Campbell College 6
Total Points: 71
Louisburg Opponents 70

### Boland Scores First Minute

Buie's Creek Nov. 2—Louisburg made it two in a row when they defeated the Campbellites 7 to 6 Friday afternoon. Louisburg kicked off and the "Camels" fumbled. The Trojans recovering on the 26 yard line. Gibson then picked up a yard in a stab at the line. Boland then went through a hole off tackle, cut back to the left and traveled 25 yards for a touchdown with only one Campbell man touching him. Weldon then kicked the extra point which later proved to be the deciding factor in the contest.

#### Campbell Tries Passes

On the next kick-off the Campbell boys returned the ball to the Trojans 25 yard line and after one stab at the line a bad pass from center was recovered by the Trojans on Campbell's 12 yard line. Three line plays carried the ball to Campbell's 1 yard line making it first and one to go for touchdown. At this point of the game the Campbell team buckled down to business and held the Trojans for four downs and no gain. Campbell received the ball on the Trojans 1 yard line and then punted out of danger. The Trojans punted back and on the next play the "Boys from Buie's Creek" took to the air, and when I say they took to the air, I mean that they really made a habit of it. In fact, between the second kick-off and the final whistle the "Camels" made 28 attempts to gain via the skyways. Seven of these arrived at their intended destination safely and counted for gains of 65 yards. Seventeen more were thrown wide or batted down by the Trojan backs. The remaining four were mangled in the purple clad arms of the men from Louisburg and returned for a total of 52 yards.

#### Trojans Lead In First Downs

The game was well played, with the Trojans having the upper hand at most stages of the contest. The Trojans counted eight first downs against four for the Campbell lads.

#### Campbell Scores

The second quarter opened with the ball resting on the Campbell 42 yard line in possession of the Trojans. Three plays netted no gain and it was Campbell's ball on their own 42. Here they started their passing attack. Three straight passes and one line play carried the ball to the Trojans ten yard line. Here a pass Humphries to Jordan counted for a score, making it Louisburg 7, Campbell 6. The try for point failed. During the remaining minutes of this quarter the ball was most of the time taking journeys through the air, either from a punt or a Campbell pass.

#### Second Half Play

The second half opened with the Louisburg team leading by one point and the team at once began to play a defensive game, running only line plays and punting on third downs. "The Boys From Buie's Creek" could do nothing with the Louisburg forward wall and at once opened up with their passing attack, but this time it was not successful as it was in (Continued on Page 4)
