Basketball here at Louisburg College is off to a flying start with Coach Boyd and his hopefuls already practicing daily downtown in the Armory. There are thirty men reporting daily for practice, which has been in progress for about three weeks. Coach Boyd is concentrating on getting the boys in shape for the actual game.

The team is composed mostly of first-year men with Pervist Miles and Everett Bryant the only ones returning from the junior varsity. Joe Thomas is the only letterman returning from the varsity of last

Expecting a strong team, Coach Boyd arranged a rigid schedule for this season. Two games are scheduled with Carolina's junior varsity and the same number with State's junior varsity. The schedule still is incomplete; but some of the teams L. C. will meet are E. M. I., P. J. C., Oak Ridge M. I., Wilmington J. C., Campbell, and possibly the junior varsities of Wake Forest and Duke. The first home game is to be played on or about Thanksgiving. Two games are scheduled to be played before Dec.

Some boys that show promise for this year's team are Everett Bryant, Pittsboro; Sammy Cole and Joe Evans, Elizabethtown; Ernest Gaster, Jonesboro; William Griffin, Cary; Sam Gunter, Raleigh; Robert Hill, Youngsville; Sam Lehew, Rich Square; Bowen McKinney, McKinney, Kentucky; Pervist Miles, Woodland; Billy Shotwell, Roxboro; Joe Thomas, Jonesboro; and Buddy Ussery, Weldon.

the Bible; and about two years ago the main answer was Shakespeare. He thus cited the decreased awareness of the Bible. He ended by saying that the students here making good means also Louisburg's making good.

Formal Induction of Students and Tests

The formal induction of new students into Louisburg College was held, Mrs. Boyd presenting the new students and Mr. Holton leading them in the declaration of loyalty.

Then came the event that students declared made them "nervous"—the intelligence test and the English placement test.

Reception, Registration, Y-Functions, Classes

The day ended with a formal reception in the Faculty Parlor, where the receiving line was composed of faculty members and the presidents of the Men's and Women's Student Councils. Punch and cookies. were served by senior women students in Main Social Hall

Wednesday's activities began with registration—an all-day affair of standing in line, waiting around, and working on class schedules. The day ended with an evening function sponsored by the Y—a stage entertainment of seniors and juniors giving talent numbers, followed by an hour of

Potatoes?

No, those lumpy looking burlap sacks with legs were only new Monogram Club members being initiated at the hands of President "Trick" Bryant and his assistants. Although most observers comment on the discomforts of wearing a potato sack, the advisor of the club, Coach Scott Boyd, insists, "That ruff stuff makes 'em tuff." Whether scratched or toughened, however, most "insiders" agree that the initiation was a very thorough affair.

Those receiving their baseball letters were Clarence Burrow, Gilfredo Gonzalez, John Small, Allen Stallings, William Steele, Paul Stephenson, and Glenn Wilder. The initiations had been postponed from last spring.

Delta Psi Plans Program, Initiates Members

Delta Psi Omega, the newest fraternity on campus, is planning to present Balcony Scene, a oneact play by Donald Elser, on Oct. 29.

The characters of the play are Harper Peel, the man; Elmer Best, his friend; Lessie Manning, a mother; Daphne Bryan, her daughter; Rosemary Dawson, a wife; John Oldham, her husband; Edwin Collins, a gangster; and Vivian Proctor, a girl.

Everyone is invited to attend Balcony Scene and examine the ability of the members of the cast.

New members were initiated into the fraternity Oct. 13 at a secret initiation conducted by Daphne Bryan, vice-president, assisted by Edwin Collins and Rosemary Dawson, the program being sponsored by Mrs. Tarpey, fraternity sponsor.

Members initiated were Elmer Best, Douglas Hoell, Vivian Proctor, Paul Stephenson, President Holton, and Miss Merritt, the last two being honorary members. Each student initiated gave the required twelve memorial lines from Shakespeare. Former members and initiates later joined in a social hour in the Faculty Parlor, where punch was served from a table covered with lace cloth. The bowl was set in a flower arrangement of blue and gold, representing the fraternity colors.

Mr. Bowers has received an invitation for honorary membership but was unable to be present for the initiation.

LOUISBURG THEATRE

On the Slanted Green (Intramural Football)

On Oct. 19, the football season at Louisburg College officially opened with a crushing 4 to 0 defeat of the Antelopes from Third Franklin by the Bears from Third Main.

The Bears were led in their assault by Harry Tucker and Havnaer while Cannady, Lee and Small performed Trojan work for the Bears in the line. The Antelopes did not show much in the way of a scoring punch. This reporter was informed that the Antelopes were not at full strength and would improve later in the season. The victory might prove costly to the Bears, as they lost the service of Havnear because of injured shoulder.

The following day the Pirates from the Fourth Main grabbed a two-point lead in the opening minutes of the game, but from there on their attack stalled. The Wildcats from Second Franklin then came to life and at the end of the game had clawed out a 27-2 victory. The Wildcats led by Steele and Howell in the backfield and Stout, Brothers, Perkinson, Elliott, Scott and Shambley in the line were in full control of the game. The main treats for the Pirates were Stallings, Underwood, and Fuller.

On Oct. 21, the two undefeated teams from second Franklin and third Main met head-on in a bruising game. Because of absentees, both captains agreed to let each other use one player from a different team. Although Lon Williams played a nice game for the Bears from Third Main, the Wildcats received the better of the bargain as Larry Winborne passed for two touchdowns and played a bang-up game on defense. Wildcats emerged from the game undefeated by winning 19 to 2, but suffered somewhat serious injuries to several players. The injured players are Shambley, a bad back; Steele, a sprained ankle; Howell, a wrenched knee; and Scott, a twisted thumb. The Bears emerged from the game with only one injured player Cannady an outstanding linesman who received a twisted ankle.

The four managers of the teams are from different sections of the state. The Fourth Main Pirates are led by Mac Fuller a Raleigh boy; the Third Main Bears are under direction of Harry Tucker from Fair Bluff; the Antelopes from Third Franklin are led by Hunt, a Durham resident; and the second Franklin Wildcats are managed by Bill Brothers from

Elizabeth City.

Dr. Winston Pearce Visits College

Dr. Winston Pearce, minister of the First Baptist church of Durham, spoke at chapel hour, Oct. 7, on "Life is a Three-Way Proposition." He illustrated the idea by the use of punctuation marks, suggesting life's major questions, as in the Bible, "Where art Thou? Where is Thy brother?" Second was the comma, signifying the need for time to think of, God. Third was the exclamation mark, suggesting the need of enthusiasm over friends, opportunities, and especially the privilege of serving in work for God.

The audience got a laugh at the speaker's joke on President Holton, when Mr. Holton was once making a speech: Seeing a boy and girl on the back row paying more attention to each other than to the speaker, Mr. Holton said, "When you two on the back row finish flirting, I wish you would give me a chance."

3:30 p. m. and all students are welcome to come and enjoy the contests. The schedule is as folas follows:

Physical Ed. Club Takes Hike

The girls' Physical Education Club went on a hike to the college farm Oct. 12, under the supervision of their sponsor Miss Hill. Dressed in hiking clothes, they set out with a picnic supper.

After walking for about two hours they reached their destination and sat down on the grass to eat supper. Seeing the sun was sinking low in the sky, they began their journey back home. They began laughing, talking, and singing on the way back.

The eight-mile hike brought the participants fifteen points toward their letter.
