To Accelerate Your College Program: Go to Summer School

The student can complete as many as seven hours of college work by attending summer school. Thus summer school is a convenient way of speeding up your college degree. Many students may be able to begin their college program in the summer following high-school graduation, and college students can sometimes accelerate their transfer by a semester. Summer school also offers an excellent opportunity to college students who need to make up credits.

CANDIDATES FOR HOMECOMING QUEEN—Left to right seated: Donna Powell, Lynda Wooten, Mary Boone, Debby Broadwell. Standing: Linda Modlin, Blake York, Peggy Copeland.

French National Dance Company Appears Here

The French National Dance Company consisted of twenty-four young singers and dancers. These entertainers represented the mood of the French people. They appeared here at 8:00 p.m., on Wednesday, January 31.

This show of highest quality was superbly coordinated. Authentic folk songs and dances represented the French provinces were presented during the show. Also appearing in the concert was Jacques Douai, one of France's most award-winning folk singers.

Freshmen were required to attend this concert as part of their cultural orientation at Louisburg College.

Frosh Officers Elected After Vigorous Campaign

Diane Benton, President of the freshman class, commented: "I'm so excited. It couldn't have happened without my friends. David Todd and Jimmy Davis were my campaign managers. They did a great job."

As for the spring dance: "I wanta get a great band — one that everybody can do the correct dance to!"

Bob Schwartz, Vice-President, also promised a good May dance and said that he was going to "work with everybody else."

Secretary Linda Rhew said, "I was very surprised and very honored that I was elected. I'll do the best that I can — and I thank my roommates, Mary Boone and Donna Dugger for their help in the campaign."

She added, "I'll do my part in making this the best spring dance Louisburg College has ever had."

The treasurer, Kurt Williams, stated that though the officers had as yet called no meeting, they plan to get to work almost at once. "The main thing," he said, "is to have a good band. Some of the bands up here this year haven't been too good."

Homecoming Queen Named

Will she be a blond, a redhead, or a brunette? Who will be the next Homecoming Queen? Ten lovely girls are competing for the honor. The Queen and her court will be presented Saturday night during the half-time program of the basketball game between Louisburg and Mount Olive. The girls will be

judged during a dinner with the judges on Saturday evening, they will be judged on their beauty and poise. The girls are: Linda Modlin (I. C. C.); Donna Powell (Phi Beta Lambda); Blake York (Columns); Lynda Wooten (S. G. A.); Peggy Copeland (Dramatics Club); Mary Boone (Athletic Department); Deborah Broadwell (Young Demo-

crats Club); Geoga Ann Ford (Honor Fraternity); Juanita Mitchell (Glee Club); and Patty Willis (Young Republicans). The judges are Mrs. Susan Council Jernigan (Last year's Homecoming Queen), Charlie Brown (WKIX Radio Station), and Alice Lea Kennedy (Former Homecoming Queen).

The Old Order Changeth

For generation upon generation, Louisburg College students have had a deep love of history. The administration, too, has felt this deep love of Louisburg's past. They have made great efforts in preserving our history: through restoring the old academy building, preserving school records in the library, and by publishing the school's history in the catalog. But now, this love of history has died. Progress has taken over. The Old Well, long

a symbol of our history and heritage, has been carelessly pushed over and forgotten.

For many years the Old Well was the only source of water for the school. The water which the students used to drink and wash with had to be carried from the well in wooden buckets to the dorms. The water used in cooking also came from the Old Well.

In this dark hour of destruction, there is some small ray of hope. Dean Patterson is planning to have

the well moved to the site of the old brick storehouse in front of the cafeteria. The original well will not be used but copied. A much larger pavilion is planned which can be used as a student center. It will be a place of beauty as well as a place for students to get together with their friends.

To make the restoration of the Old Well possible, you, the students must take an active part. Let the administration know your feelings!

Grimm Brothers To Entertain at Next Coffee House

Once upon a time there were three young men. One turned down by his local draft board, one Ed Sullivan failure, and the other, the leader of a string jug band! One day they got together and became a successful comedy trio. Things must have been on the dark side when they became a group — their name — The Grimm Brothers.

This tickle-ating trio will be here the week of February 26 thru March 2, putting on two comical performances a night. There is a 25 cent reservation charge for refreshments (Mr. Beckham has promised a different menu each night).

The Grimm Brothers recently completed a 5-year contract with the Tapioca Club in Athens, Ohio, where they received their first "big break" when the big name headliner of that night was unable to perform. The Grimms filled in and because of their ability got the
