On Thursday, April 27, the SGA held its general election for officers of the Executive Body for next year. Candidates running for offices were as follows: President - Henry Long, Ray Pulliam, and Jimmy Sineath; Vice-President - Bill

Caldwell, and Debbie Hayes; Secretary - Pam Ivey; Treasurer - Mary Wise; Chief Justice - Lynne Chambers.

Gathering more votes than any of his opponents, Ray Pulliam was elected to the

Presidency for the term 1972-1973. Bill Caldwell was chosen for the Vice-Presidency next year. Having no opponents, Pam Ivey, Mary Wise, and Lynne Chambers were elected to the offices of

Secretary, Treasurer, and Chief Justice, respectively.

We want to congratulate all of you on your election and hope that your offices will be taken seriously. To have a good Student Body, we need strong

leaders. You have been chosen by your friends to represent and lead them next year, so give them the leadership they deserve and demand. Next year's success will be up to you.

## Phi Theta Kappa National Convention

Miss Nancy Pugh and Miss Linda Edwards both of Henderson, N. C. and sophomores at Louisburg College left by plane for Rochester, Minnesota to attend the 1972 Phi Theta Kappa National Convention.

The girls are both members of Gamma Upsilon Chapter of Phi Theta Kappa at Louisburg College. Some 1200 Phi Theta Kappans from junior colleges over the United States were expected to attend the Rochester meeting.

Phi Theta Kappa is the organization in the Junior College that compares with Phi Beta Kappa in the Senior College. Requirements for eligibility are that the student have a high scholastic standing, to be a good citizen and be a school leader.

The convention began Thursday, April 13, and continued through a banquet Saturday evening, April 15, with headquarters in the Kahler Hotel.

Miss Pugh is vice-president and Miss Edwards is secretary of the local chapter.

## Seoul Choir Performs At Louisburg College

The Choir of the Ewha Women's University of Seoul, Korea, recently included Louisburg College as the only junior college on its agenda of performances during its present tour of the United States. The Glee Club, now visiting eight colleges and universities in the U. S., is a portion of the 400-member University Choir in Korea. Ewha is the largest university of women in the world, with enrollment of approximately 8,000 and a faculty of 600. It was founded in 1886 by an American missionary, Mrs. Mary Scranton.

The members of the Choir were welcomed to the College on the afternoon of April 17. There was slight confusion with the placement of the girls in the dormitories and the identification of the luggage. The language barrier, surpris-

ingly enough, did not present any major difficulties. Some members of the Choir speak English, and those who do not were able to communicate by means of help from other Choir members and a combination motions-noises system. The LC dorm residents enjoyed the challenge, and many close friendships were made even in so short a time. Home addresses were exchanged and pictures were taken.

The concert on the night of April 17, was a total success. The audience was quite responsive to the Korean music, as well as to the American, English, and Mexican selections the Choir put forth. Following the performance, members of the Choir mingled with members of the College at a reception in the Art gallery.

## Weekend

Last weekend's campus activities succeeded in keeping a number of students here who usually make a fast exit when Friday arrives. Friday, April 28, Willie T. and Skinny appeared in the AC auditorium from 8:00 - 11:00 p.m. Immediately following the concert, the movie "Sex and the Single Girl" was shown.

The next day "Sawbuck" played from 1:00 - 3:00 on the front steps of Main, and a picnic supper in front of the cafeteria followed this performance. A semi-formal show and dance featuring "One Night Stand" and lasting from 9:00 - 1:00 topped off the weekend.

There was something on campus for everyone, and those who aided in planning the activities deserve to be commended for helping to make possible one of the biggest weekends Louisburg College has ever seen.
