Class Officers Elected

Elections for class officers for the 1975-76 semesters at Louisburg College were held during the final week of September.

Bill Terry, a native of Warrenton, defeated Joy Brown and Randy Garr Roupe for the office of freshman class president.

Vicki Joyner of Cary won the freshman vice-presidential office over Dan Singletary. Bryant

Richardson, also a Cary native, was unopposed in winning the office of treasurer of the freshman class.

Lisa Wilson of Siler City defeated Gloria Hunt to become secretary of the freshman class.

In sophomore class elections, Debbi Lewis of Elizabethtown won the office of president by defeating Sam Moore.

In the office of vice-president, Lorraine Kimrey of Efland defeated Jay Cee Sanders.

The offices of treasurer and secretary were won by Jo Anne Gentry and Fran Bridges respectively. Both were unopposed. Jo Anne is a native of Yanceyville while Fran resides in Sanford.

The key note of the elections once again was the apathetic attitude of students towards student elections.

Out of 217 sophomores 193 of them voted. Even worse was the freshman turnout, 124 of 371.

The Embers will perform at the homecoming dance, to be held in the Multi-Purpose Room of the B. Everett Jordan Student Center following the basketball game.

Embers To Entertain

There is still some question as to what the plans are for homecoming weekend, which is scheduled for Nov. 21-22, but the weekend is sure to be enjoyable.

A showing of the film "Walking Tall" is planned for Friday night in the College Auditorium in the AC building.

On Saturday the Louisburg Hurricanes begin their basketball season against Lees McRae in a homecoming tilt at 7:30 p.m. in Holton Gym.

Following the game a dance will be held with The Embers providing the music.

Bicentennial Ceremony Held On Parents' Day

Louisburg College hosted its annual Parents Day on Saturday, Oct. 25. Registration began at nine o'clock.

A Bicentennial Designation Ceremony was held in the college auditorium from 10:00 to 11:45 a.m. followed by a buffet lunch. Parents Day concluded with parent-faculty visitation and campus tours.

Speakers for the Parents Day Program and Bicentennial Designation Ceremony included Chaplain Sidney Stafford, who offered the invocation, SGA President Harley Dartt with a welcoming speech and introduction, Mrs. C.H. Weston, who spoke as a representative of the parents, Dean John B. York with an introduction of the main speaker, and an address from Louisburg College President J. Allen Norris.

Robert E. Rector, Chairman of the Louisburg Bicentennial Committee offered a bicentennial recognition speech and was followed by Dick Ellis, Administrative Director of the North Carolina Bicentennial Commission who then presented the bicentennial flag and certificate to Dr. Norris, who

followed with an acceptance speech. The program concluded with Walter N. McDonald, Educational Development Officer, presided during the ceremonies with Rev. Arthur Phillips offering the benediction.

Louisburg College was designated as a Bicentennial community by the authority of the American Revolution Bicentennial Commission (ARBC). Louisburg College is the first college east of Raleigh to be named as such.

The ARBC was established to insure proper Bicentennial observances. Towns, cities, villages, colleges and organizations apply to the ARBC for Bicentennial designation. Each applicant must meet the guidelines established by the Commission. One of the guidelines is to have specific projects in at least one of the ARBC's three basic themes to celebrate the two hundredth birthday of the American Revolution. These three programs are Heritage '76, Horizons '76, and Festival U.S.A.
