

Frazier Assesses Baseball Team

by Mike Sherrod

With a regional championship behind them and a trip to the NJCAA World Series, the 1987-88 Louisburg College Baseball team is setting its sights on another winning season.

"This is the strongest pitching that we've had in about seven years," said coach Frazier. Further commenting on his team's ability, Frazier expressed optimism regarding their defensive ability. "Our offense has potential, but it's too early to tell," he said.

Overall, Frazier is very positive about the team's chances this year. Pitching is his number one goal. He wants his team to continue to work hard. "Strikes mean business," said Frazier.

The baseball team has had a very tough fall baseball schedule this year. Recent victories include Wake Forest, both games of a doubleheader with Wesleyan, 5-3 and 5-2, and the first game of a doubleheader with Elon 6-3. The team split the doubleheader losing the second game, 8-2.

Following those games, the team lost to N.C. State, 6-3 at State, and then travelled to U.N.C. Charlotte, where they were shut out 5-0. The team also lost 11-0 to Virginia Tech.

As a team, the E.R.A. (earned run average) is 4.1, which is good. Total team hitting is 256. To date, the team has compiled eight doubles, one triple, and one home run.

Ski Trip Offered

Ski French Swiss is offering a Snow Skiing Program to all Louisburg College students January 3-6, 1988. The Skiing Package includes four sessions of skiing, with instruction available, at Appalachian Ski Mountain and Sugar Mountain.

All equipment (boots, skis, and poles) slope and lift fees plus lodging for three nights at Broyhill Inn in Boone, North Carolina is included. The total cost per person with four to a room is \$145.00. (\$140.00 without equipment) In addition, Louisburg College will in coordination with Ski French Swiss give each student completing the course a one hour P.E. Credit.

Ski French Swiss provides this program for college students across the East Coast and Southern States. A number

of other colleges and universities across the state and Southeast will be participating during the same week in this program. If you are interested, please be present at 4:00 P.M. Wednesday, November 4 in the Multi-Purpose Room of Jordan Student Center for registration and orientation. A \$50.00 non-refundable deposit

will be collected at this time.

Coach Sheilah Cotten will be the college coordinator for the trip. Please contact Ms. Cotten

in Holton Gym for further details. Again, as a reminder: you *must* be present Wednesday, November 4 at 4:00 for registration in the Multi-Purpose Room if you intend to enroll for the skiing course.

NEW LOU-U CHEERLEADERS

by Michelle Moody

On Tuesday, September 22, eight students were selected to represent Louisburg College as the 1987-88 cheerleaders.

The girls making this year's squad include: Susan Keever, Michael Suits, Jackie Garlich, Michelle Moody, Lisa Brooks, Teresa Hall, Vickie Reese, and Jeannie Buffaloe.

The cheerleaders are still "looking for a few good men," to help them with their stunts. P.E. credit is being offered to anyone interested in assisting the women.

New uniforms are planned for this year and the cheerleaders plan to practice at least twice a week.

Cheerleader advisor and Merritt dormitory resident director Lisa Mader served as a judge for the tryouts. Also serving as judges were two of N.C. State's cheerleaders, Curtis and Rusty. Each girl was judged on her smile, voice, jumps and cheer.
