by Amy Marie Hicks

On January, 17, 1998, Louisburg College held its Homecoming festivities. In competition for the Lou-U King's and Queen's crowns were representatives from both on and off campus. These representatives were chosen through nominations from the student body. The nominees were: Commuter representatives Ashley Kopp and Jason Eaves; Hillman Hall representatives Julie Cameron and Matt Champlin; Merritt Hall representatives Angela Craddock and Gary Smith; Kenan Hall representatives Shonda Evans and Court Fahed; Wright Hall representatives Tamika Miles and Dale North, and Patten Hall representatives Eve Batten and Ihab Hosny.

The Queen and King were voted on by the student body. Tamika Miles and Dale North were crowned Homecoming King and Queen during the half time of the men's basketball game.

Congratulations to the newly crowned King and Queen and hats off to the nominees for making Homecoming '98 a special occasion.
