To the Black freshmen who will be living on North Campus there is no need to feel you're being left out of the Black Student Movement just because you live on North Campus. Those students living on North Campus who are interested in forming a North Campus committee, serving as dorm representatives, distributing Black and Weekly Inks or in just being known, come by the BSM office and sign the sheet posted or call Jeannie Mask (933-7383) or Gloria Mittman (933-5153). ## Support our advertisers

As you hopefully have noticed, the *Black Ink* is running advertisements as part of our revenue for the first time this academic year. To carry out the proposed revitalization of the *Black Ink* as an operating official newspaper of the Black Student Movement, additional funds beyond that allocated by Student Government were necessary.

We have been very successful over the summer in gaining the interest of Chapel Hill merchants in our paper. Further support will depend on the customer feedback they receive as a result of their advertising in the *Ink*.

For this reason and because many of our advertisers are Black owned and operated businesses, it is mandatory that we as the Black student market in Chapel Hill, deal with merchants who advertise in our paper.

Support the people who support us! Through mass awareness of where to eat, where to buy, where to bank and where to enjoy ourselves, we can build a strong and thriving cooperative community. Remember that your paper is now dependent on ad revenue which is ultimately dependent on you. **SUPPORT THE BLACK INK ADVERTISERS!**
