

FACULTY VIEWS

By MACK HOLLIS

SHERRILL MOSS — last year art major. Transition to college work "pretty darn hard" . . . Student body . . . great bunch of kids . . . need more school spirit . . . faculty pretty young and some trying to make a big name for themselves.

Terry Childers — Freshman Class President — engineer major. Prefers small school before transferring to University . . . high opinion of faculty — well organized, friendly, helpful . . . transition to college — ROUGH . . . likes fellow students . . . feels college lacking in school spirits . . . need more sports and social activities such as school sponsored dances.

Anonymous — freshmen, P. E. major plans to transfer to East Carolina . . . here to BEAT THE DRAFT . . . fine faculty . . . student body needs improving . . . trouble learning to study . . . need more activities and better eating facilities.

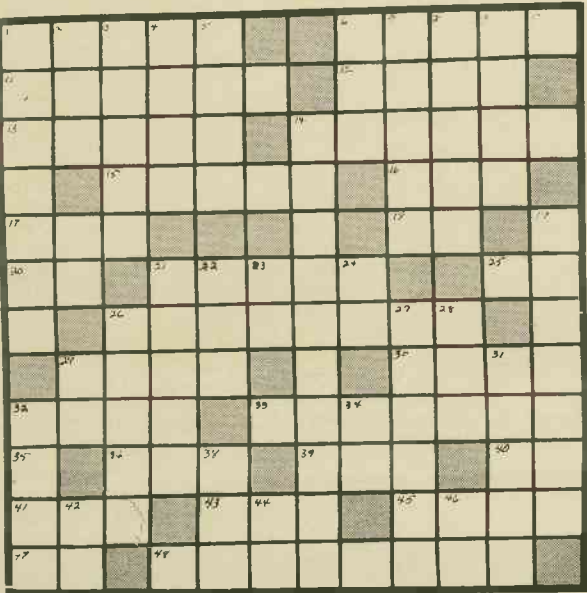

Anonymous — "partied out" of large university — studying extremely hard in hopes of being reaccepted at Alma Mater — finds Gaston College harder than he thought it would be. Faculty demanding but fair.

Dr. Fischel — Administration-Psychology — Students wonderful, extremely responsive in activities with a desire to participate . . . Advice to Freshmen — take advantage of opportunities and don't waste them . . . to Sophomores — hurry up and decide where you will transfer, make your application, and be sure to visit the school you desire to attend.

Mr. Killian — Sociology — as a whole student body well behaved, with the exception of the very few who have not adjusted to college life . . . would like to see more participation in intramurals and when facilities are available a more comprehensive sports program . . . (Advice to Freshmen — realize you will be treated as mature young adults and not spoonfed . . . to Sophomore — acquire a lot of self discipline so as to be able to adjust to the greater amount of freedom of later dormitory life . . . don't allow social life to interfere with studies.)

MRS. Sims — Spanish — most students are very enthusiastic and seem to realize what they are doing in college . . . Advice to Freshmen — better take studies seriously . . . to Sophomores — a warning to do plenty of outside studying so as to be prepared for the greater amount of large university competition.

Q. Dear John, I have been standing around the student lounge for weeks now and no one has asked me for a date I am a blond 5' 4". My measurements are as follows, 36-24-34. What do you suggest I do.
Signed—J. S.

A. Dear J. S., Please write Dear John giving full name, address, and phone number. Perhaps I can help you.

Q. Dear John, I have been trying to get an appointment with Mr. Trammell, for over a week now. What can I do?
Signed, Tired of Waiting.

A. Dear Tired of Waiting, May I recommend that you see Mrs. Trammell she has the same problem.

Q. Dear John, I have been dating this very attractive girl for the last month. My only problem is that her parents insist on sending her little brother along on dates as a chaperone.
Signed, Fed Up.

A. Dear Fed Up, Have you thought about investing in a honda. After all if you really feel for this chick perhaps it would be a good investment. Too you should remember, if her parents are strict she must be worth protecting.

Q. Dear John, I have always wondered when should you take an Alka-Seltzer, before or after eating.
Signed, Distressed, (M.B.)

A. Dear Distressed (M.B.) I wouldn't know, I prefer Carters myself, but perhaps one of our readers can help you.

Q. Dear John, What was your reaction to Mr. Carden's Little Play, "The Pleasure of his Company"?
Signed, Mr. C.

A. Dear Mr. C, No . . . Comment.

Q. Dear John, I have been having trouble with my car lately. Can you give me a lift.
Signed, Mrs. C.

A. Dear Mrs. C, May I suggest you try one of the other newspaper staff members.

NOTE FROM DEAR JOHN:
Sorry about this gang, but word must have slipped out about my column. We're flooded for this issue, but I will answer your questions in the next issue.
