

A Glance Around

"Something there is more immortal even than the stars,
Something that shall endure longer even than lustrous Jupiter,
Longer than the sun or any revolving satellite,
Or the radiant sisters, the Pleiades."

THE E. B. HAMRICK BUILDING

The Alumni of Gardner-Webb are to be congratulated upon the good influence they exert on the college. Institutions, like individuals, are known by their fruit. You, the alumni, are the fruit of your Alma Mater. Your attitude, your loyalty, your devotion and service are all-important to the institution. It is through you that we are able to carry on.

The combined and coordinated efforts of the Alumni, the Trustees, the President, the Faculty, and Friends of the College will assure an ever increasing success. Let us go forward to greater and greater usefulness.
