The Baptist Student Union extends to the alumni of Gardner-Webb College a spirit of friendliness and gratitude for the high ideals and Christian atmosphere manifested here. This has only been made possible by your untiring efforts and unselfish motives as you have preceded us.

A warm welcome awaits you at any time you may wish to visit our campus.

Paul Comer,
President, Baptist Student Union

I hope that we have been worthy of the high standard of service and Christian fellowship you implanted at Gardner-Webb.
