

Batting Averages

As the G-W Bulldogs wound up regular play here May 14 with an 11-2 victory over Belmont Abbey, Darrell Wilson of Mooresville walked off with the team's batting crown with a cool .444. Wilson, who rounded into form about mid-season, did not see action in all the games.

Behind Wilson was catcher Gerald Freeman, who swatted the pill at a .406 clip, while shortstop Bobby Bush ranked third with a .379 average. Bush led the hitting during much of the season with a runner than 400 mark before dropping into the .300's in the final three matches.

Veteran Ken Queen notched up five wins against two losses to capture number one mound honors, while Bobby Myers garnered three wins against two defeats.

The individual averages and pitching marks follow:

round tripper by Bates got the Harriemen rolling with a 2-0 edge. Right-hander Bobby Myers maintained this lead for six frames. In the seventh, Oak Ridge broke the ice with a singleton, again with two outs. Meanwhile, G-W had scored another pair of runs in their portion of the sixth inning as insurance.

With a 7-1 mark under their belts, Gardner-Webb battled stubborn Mars Hill in the hills May 8, and the blood thirsty Lions chewed up the offerings of a trio of local hurlers for 11 runs. The visitors produced only two tallies off righty John Holderby. It was a non-loop test, however.

Field Day Features

That special day, Field Day, set aside to honor the students on the Gardner-Webb campus certainly was a day not soon to be forgotten. With all the sports, special skills and the afternoon ballgame, we will think most of the memory of a school day without classes. Enjoying the day were the high school seniors visiting the campus.

As usual, things began happening early Friday morning, with almost everyone participating in some sport on the athletic field, in the girls division were: accuracy in throwing the basketball and softball, and distance throwing in both these sports. Certainly the events most enthusiastically received were the potato and sack races. No one would have thought that we had so many comedians on the campus but it didn't take long to learn.

The boys took part in: track, distance and accuracy in football and baseball and the high and broad jumps. To see the boys work so hard indeed one think of the Olympics.

Games of badminton, basketball, and volleyball were played previous to Field Day.

To the disappointment of the freshmen, the sophomores received the grade trophy at the end of the events. There was no denying it, however, they deserved it.

Individual trophies went to Betty Grey Lindsay, outstanding freshman girls; Sara Cooke and Jo Lena Bridges, outstanding sophomore girls; Don Bailey, outstanding freshman boys and Bobby Bush, outstanding sophomore boy.

As baseball enthusiasts we wouldn't forget the baseball game with Mars Hill in the afternoon. The game was great with our own team taking the win.

Yes, Field Day this year was a great success, one that we students shall always remember. To those who made such a day possible, we sincerely give you our thanks.

Anchor Staff Makes Trip

A portion of the Anchor staff for this year had a most enjoyable trip Friday, May 9. A very interesting afternoon and evening had been planned for the ten young people by Mr. William Mitchell of the Dowd Printing Press. This included a tour through the Dowd buildings, the engravers, and the Charlotte Observer plant. An added attraction was a visit to the Myers Park Baptist Church, before our dinner party held at the Cardinal Restaurant. Those who enjoyed this delightful trip included Rachel Serogus, Doris Upton, Bob Heffner, Margaret Swann, Paul Thomas, Martha Stone, Jean McSwain, Betty Hinson Allyn Gibson and Miss Saranan Morgan, faculty advisor.

Student Plays Presented

On May fifteenth, the Gardner-Webb Dramatics department presented three one-act plays in the E. B. Hamrick Auditorium. The plays were written by students of Mr. J. Y. Hamrick's dramatics class. These three plays were the best of several well written plays by the students.

And In Hell, by Perry Huffstetler, was taken from the Bible. It is concerned with Lazarus and the rich man. Scene one takes place while Lazarus is alive and begging at the rich man's gate. Scene two is at the same gate just after the rich man has died. Scene three shows the rich man in Hell being visited by Lazarus and Father Abraham.

Beyond The Call Of Duty, by Glenn Pettyjohn, is a period play that is based upon an actual Civil War incident. It has three scenes; at the opening of the Civil War, at its close, and three months after the close of the war.

Rosie, by Bob Ward, is a light humorous play about a mountain family in Eastern Tennessee. All of the action takes place within the Jackson home.
