SOPH-FROSH FIELD-DAY APRIL 10

Can We Beat Their Records?

We The People . . .

Various Team Sports To Start Immediately!

LAST YEAR WINNERS: (L. to R.)—Bobby Bush, Soph. Boys, Betty Grey Lindray, Frosh, Girls, Pres. Elliott, Don Bailey, Frosh, Boys, Jelena Bridges, Soph. Girls, Bobby Pettijohn, President of Soph. Class which was victorious in the events of the day.

The matter of inertia and disinterest towards elections ranks high in the political problems of our day. I hear the aged cliché — "Now is the time for all good men to come to the aid of their country" — is applicable to most election times.

We could change this trite expression slightly and say — "Now is the time for all good men and women to come to the aid of our college" — and express the sentiments of most of our sophomores concerning our coming campus elections.

For almost a decade Gardner-Webb College has had far-reaching influence as a school with a high scholastic rating, superior executive leadership, and an outstanding faculty. In the last few years its rise as a potent athletic power has been remarkable.

Our students also manage to achieve outstanding records after leaving Gardner-Webb. The percentage of our graduates who attend senior college is tremendously high. Living in an age when the development of youth has been greatly stressed, our school has become a leader in preparation for the future.

However, student activity and participation has not been at its best during this school year. We have not as yet lived up to the goal set for complete student government.

Less than half of the members of the sophomore class attended a recent class meeting. The average attendance in freshman meetings is only about 50% of the enrollment. Participation in other activities is similar!

The South has advanced in remarkable fashion within our lifetime. Dominion by sectional rivals is decreasing for the first time since General Lee surrendered his Southern forces to the Union foe on April 9, 1865. Western North Carolina has become one of the most progressive regions in Dixie.

It is up to us to continue this work. And a sound footing may be obtained right here on our campus. Our students are the leaders of tomorrow!

We must put our all to work in the coming elections. The responsibility imposed upon us as students may be met by discussing the candidates, endorsing someone for each job, and trying our best to get our candidates elected. Let this year end as we hope the next one will begin.

The climax of the annual struggle between the highly esteemed sophomores and the lowly freshmen for the official athletic supremacy of the campus has been set for April 10, but the contest between the two classes will begin at once. Competition in the team sports — football, basketball, baseball, volleyball, badminton, and ping pong — must be completed by the time for the track and field events so that a class winner can be picked according to the total points accumulated in all events.

The first contest between the two classes, a basketball game, is scheduled for March 13 at 8 o'clock in the high school gym. There will be both girls' and boys' games. The small admittance fee will be used in the preparation of the freshman-sophomore banquet which will climax the festivities of Field Day. Coach Ken Brady reports his team is in great shape and anticipating a great victory. Coach Bunny Price of the freshman squad is equally optimistic.

Try outs will be held for all sports and the times and the people in charge will be announced in the meetings of the respective classes.

Points will be given on this basis: five points for first, three points for second, and one point for third. Each participant in a team sport will receive one point and the winning team will receive five points. After all the events have been run off the freshman boy and girl and the sophomore boy and girl with the highest number of points will receive trophies as "Most Outstanding."

With competition in team sports from now until the big day, then the track and field events in the morning and a varsity baseball game in the afternoon of Field Day, and the Freshman-Sophomore Banquet to complete the affair in a fine fashion, it really looks like a gala day for all.

And may we remind you that there will be no classes at any time during the busy day!!!

Field Day Schedule

TIME	EVENT	ENTRY	
		(B)	(G)
9:45	Tug of War	Unl.	
10:00	100-Yard Dash	3
