

CLUB OF THE MONTH

MONOGRAM CLUB

Gardner-Webb's athletic director, Norman Harris, is the guiding light and faculty advisor of the 1933-34 Monogram Club. Coach Harris said this year's president, Richard Yearwood, have worked hard to organize this year's Club, which is composed of approximately thirty-five members.

"The Monogram Club is one of the most active and most respected clubs on the campus," said Richard Yearwood. By undertaking money-making projects, the club earns money to buy awards given each year. "In past years the Club has gained status by giving blood to those in need," said Coach Harris.

In order for a person to become a member of the Monogram Club, he must participate in any of the three major sports. This includes participation in either football, baseball, or basketball. However, before a person is an established member of the Club, he must be initiated. "This is a secret process known only to the Club members," said Bunny Price, vice-president of the Club. "By obtaining membership in the Monogram Club you seem to gain an added quality," said Harold Pearson, pitcher on the baseball team.

"The Monogram Club has had status on this campus ever since organized sports have been here. The Club members are fine boys and should be commended for their work," said Coach Harris. President Elliott declared that the Club is one of the most important personality and character builders here at Gardner-Webb.

"Each year the Club sponsors a party. That's when everyone gets something to eat and plenty of it," said baseball catcher, T. G. Harmon.

New officers for next year's Club will be elected in the near future. These officers, along with Coach Harris, will take on the responsibility of organizing next year's Club.

GLEE CLUB

The Glee Club of Gardner-Webb College has been doing honors to themselves recently under the able direction of Mrs. Robert Gidney. Twenty-six girls make up the Glee Club this year and they meet two times each week for rehearsals. At these periods the group studies both sacred and secular compositions. Along with learning new songs the girls learn such valuable information as how to breathe correctly, distinct enunciation, choral conducting and many assets which will be useful to them in their musical careers later in life.

The Glee Club is active in such programs as student recitals, radio programs, banquets and other functions on the campus.

On April 16, 1954, the Glee Club sang on the Gardner-Webb Radio Program. The program was one prepared especially for Easter, and several of the music students took part. The song rendered by the Glee Club was "Were You There?"

SIGMA PHI ALPHA

Sigma Phi Alpha, a National language fraternity, was founded at North Carolina State College during the Spring term of 1925. It originated as a student movement in the Modern Language Department of that college. Its objective is "to stimulate an interest in and to acquire a more intimate knowledge of geography, people, language, life, customs, history, industries, and culture of foreign countries, and to make a contribution toward bringing about a better understanding between these countries and ours by having a better knowledge of them."

Gamma Omega Chapter of Sigma Phi Alpha at Gardner-Webb College was organized in the Spring of 1950. This chapter held its annual initiation Friday, April 9, 1954, in the Student Parlor of Huggins-Curtis Dormitory. The old members include: Mason Hudspeth, Doris Vance, Delois Hamrick, Bobbie Trivette, and Helen Stinson. The newly initiated members of the fraternity are: Marie Turner, Evelyn Curwell, Loyd Smith, Bob Richardson, Lela Hoyle, Grace Yelton, Rachel Sellers, Kay Eostie, Minnie Ella Currin, Sally Kay Queen, and Leona Lamm. Mrs. Pollock is the fraternity sponsor.

The monthly meeting of the Young Woman's Auxiliary was held on April 12 in the Hamrick Building. After a song and a prayer, Virginia Huggins, President, took charge and asked for a report of community missions from Mary Hensley, chairman.

Christian Volunteer Band

The Christian Volunteer Band is one of the most active organizations on our campus here at Gardner-Webb College. The Volunteer Band meets every Tuesday morning at 10:30 o'clock in Room 32H of the E. B. Hamrick Building. The Band is composed of those of our students who are interested in learning how to better carry on Christian work. Interesting and informative programs are presented under the direction of various students. These programs are designed to aid the students in successful utilization of their abilities that can be used for Christ.

The Band enjoys the fellowship of being together in addition to benefiting from the valuable assets to Christian living that they are privileged to acquire.
