

## New Student Government Officers Elected

Elections for Student Government Officers, annual and newspaper publication were held Wednesday, April 20. The following officers were chosen from the rising Sophomore class and were formally installed in the installation service held April 27.

The Student Government Officers are:

Eddie Hudson of Cramerton, President; Betty Rose Barker of Gastonia, Vice-president; Charlotte Carroll of Thomasville, Secretary and Treasurer.

Margaret Hazeltine of Dana, Editor of *The Anchor*; Howard Davenport of Gastonia, Business Manager of *The Anchor*. Jerry Keeter of Cramerton, Editor of the *Pilot*; Betty Jo Williams of Shelby, News Editor of the *Pilot*.

Al Proctor of Shelby, President of Day Students.

## GARDNER - WEBB HIGHLIGHTS By BETTY STATON

September—and return to Gardner-Webb. There was excitement—freshmen darting into the room every few minutes wanting to buy books, Mom up on a chair trying to hang curtains, Dad and big Sis trying to arrange your academic schedule for you and all the while you were dying to get out on campus and up to the shop to see the familiar faces you'd longed to see for three whole months.

The next two weeks were wonderful. The going wasn't so hard and everyone talked continuously to catch up on what everyone else had been doing all summer. Then came the time to settle down to some hard study. The summer-like weather which lasted until November didn't make this task any easier.

Cheerleaders were elected and pep rallies were held every Friday night. Number one on the hit parade was "Hurrah for the Bulldogs." Deon Upton and Ronald Burns did a fine job leading the Bulldog squad through a very spirited season. Then came Homecoming and the Sophomores were very jovial at seeing the kids they had been so close to the year before. Homecoming was a tremendous success; the talent show was

## New Radio Program Sponsored By G - W

"Something Better for Cleveland County" is the recently conceived radio program presented by WOHS Radio and Gardner-Webb College. The broadcast is dedicated entirely to the needs of Cleveland County. Each Sunday afternoon from 4:00 to 4:30 o'clock, various features are presented by county and city administrators, civic leaders, promoters of community functions, and authorities on subjects of cultural and educational importance.

Already there have been several interesting and informative broadcasts, including features by Bill Green, managing editor of *The Shelby Star*, Hugh Wells, Shelby lawyer, Ed Lewis, manager of the Shelby Chamber of Commerce, Robert Carr, head of the music department at Gardner-Webb, and Francis E. Dedmond, professor of English at the college. Recently James Harrell Shelby artist, spoke on "The Painter, the Picture, and the Viewer," an interesting and informative discussion of painting in the layman's terms. Jane Kendall Beam, student at Shelby High School and the Clyde Timmon's School of Dance in Shelby, discussed the Ballet on last Sunday's program. These are a few examples of the cultural benefits available to the people of Cleveland County and surrounding areas, from "Something Better for Cleveland County." John Elliott, student at Gardner-Webb College, is producer of the program.

most entertaining, the Bar-B-Que most delicious and the game that evening was the end of a perfect day when the Bulldogs stomped Asheville-Biltmore 26-0. Trace Rollins reigned over the Homecoming festivities and Betty Staton and Phyllis Mundy acted as her attendants.

Football season came to a close and Bill Norris and Bill Bovender, Co-Captains of the lively Bulldog Cagers, and their team took the stage. When the curtain came to a close on Basketball season the boys had won a terrific third place in the conference, a place which they very much deserve.

The Gardner-Webb Players Cast of the Delta Psi Omega presented "Romeo and Juliet" in the E. B. Hamrick Auditorium December 8-10. The production was a great challenge for the drama fraternity but they came out with flying colors. Betty Staton and Eddie Hudson were cast in the leading roles. The production was taken to Queen's College in Charlotte later in the year.

Then came mid-term exams and a short rest for some of the students and then back to "the salt mines."

The absence of our beloved President Phil Elliott was extremely felt when he went to Florida for his first and most assuredly well earned vacation. Mr. Lawson Allen very capably stood in for Dr. Elliott until his return.

Everything seemed to go along so slowly and normally until all Spring Holidays and then all of a sudden there seemed to be so much to do and so little time to do it in. There was Monogram initiation (something a great many will never forget), Sophomore class superlatives were elected, the *Anchor* staff was working like mad to meet the deadline and student-government officers were nominated. Eddie Hudson was elected to head the student body next year. Very impressive installation services were held in chapel by the student government and the B. S. U. Parties came one right after another. The Monogram party at Rainbow Lake and the Delta Psi Omega party and initiation at the same place, the Progressive Party had a hayride and celebrated its landslide victory, the Dyer's entertained, Mr. Dedmond entertained his American literature class, the accounting class celebrated, and so do the *Pilot* and *Anchor* staffs. The biggest day of the year was a big success with the Sophomores coming out on top in the Field Day honors. Shirley Reavis, Sheila Mayberry, Gene Huss and Don McCaskey won individual honors. Field Day was topped off perfectly by a beautiful lawn party given by the Freshmen in honor of the Sophomores. The theme was "Hit Your Waron to a Star" and this was very easily done also for the midnight blue sky was completely covered with twinkling stars. There were enough for every one to make a wish on. The music department held several recitals and we really knew spring was here when some of the fellows came to breakfast one morning all decked out in Bermuda shorts.

Another important day came when we received the *Anchor*,
