

IMPROVEMENTS AT GARDNER-WEBB

By BILL KINCAID

By the time the girls return from Thanksgiving vacation they will probably be the owners of two new television sets; one in H.A.R.Y. Dorm and one in the new dorm. The two T.V.'s are being bought by contributions of the girls and several friends in Shelby.

This, with several other new accomplishments, is being done as the result of recommendation of a special committee of the faculty which was appointed by the board of trustees. On the committee are: John Roberts, Chairman; Miss Doris Jones, J. Y. Hamrick, Norman Harris, Mrs. Hester Haynes, and two trustees, Carlos Young and Rev. Harold White.

Five new table tennis tables have been constructed. Three have been placed in the quonset hut, and two are in the basement of the girls dormitory.

A grill, coffee and chocolate urns have been purchased for the student center.

CHEERING FOR GARDNER-WEBB

This is the second of a series on our cheerleaders for this year.

Betty Banning, who comes from Edenville, is another sophomore who has climbed up quite a record. She is an active marshall, and is on the Pilot and Anchor staffs. Although Betty was at Edenville only her senior year, she was a success as a cheerleader.

Byron "Luscious" Rippey is a freshman cheerleader from Shelby and is a graduate of Shelby High School. Rippey, characterized by an unusual wit, says he was secretary of his home room class and active in dramatics.

At Gardner-Webb Rippey takes an active interest in dramatics, is a member of the hiking club, and a member of ERC.

When asked what his hobby is, he says that it is raising dogs.

In answer to our current Pilot Poll of Opinion question, Byron says, "Elvis is all right, but I like Little Richard better."

Peggy McDowell is another one of our sophomore cheerleaders. Peggy comes from Mill Springs and is a graduate of Green Creek High School, where she participated in many extracurricular activities. Last year Peggy was a member of the Gardner-Webb girls' basketball squad of which she was an outstanding guard.

From Boiling Springs comes Sandra McGinnis. Sandra, a freshman, is a graduate of Boiling Springs, where she was chief cheerleader for two years.

Chosen as Miss Hi Miss, Sandra was active as a marshall, a class officer, a member of various clubs, and was a member of the annual staff.

A liberal arts major, Sandra lists music and swimming among her outside interests.

Also among the freshman cheerleaders is Dennis Ruth Hamrick, a graduate of Boiling Springs High School.

Listed among her high school accomplishments are: Cheerleader, chief marshall, a member of the literary society, glee club, school paper staff, and the annual staff. For the short time Dennis Ruth, a business major, has been here she has already begun to make a record for herself as witnessed by her scholastic standing and popularity. Besides her main outside interest at present, she also likes swimming, dancing, and music. She says that her hobby is collecting cups and saucers, not cooking and sewing, but hastily adds she can do both.

Next in focus is Patsy Greene, a sophomore cheerleader from Lattimore. She is a graduate of Lattimore High School where she was active in basketball, winning the county sportsmanship trophy for two consecutive years. A marshall and member of various clubs, Pat was valedictorian. At Gardner-Webb last

Carolyn Crocker	Hiking Club
Daphne Reid	Huguenot Curtis
Faye Branch and	
Cordie Hardin	Attendants
Irva Smith	Queen

CAMPUS SPORTS By RONALD WILLIAMS

Football's reign as king of intramural sports at Gardner-Webb ended dramatically.

The program was a double elimination contest. Every team except First West and Second East was eliminated. Then the battle for championship started.

The first game was won by First West by a score of 13-7. Executing the scoring for First West was their quarterback Robert Webb. He connected first to Bob Downey. The try for the extra point was good. Second East came back to score on a pass from Bob Crew to Jack Reavis. First West refused to go down. They came back with a pass from Webb to Perrell Conder in the last 10 seconds of the game.

In the second game between the two teams they battled hard to a 7-7 tie. Second West won the first blood with a pass from Bob Crew to Bob Whitener which was good for 30 yards and the score. They added the extra point. In the second period Webb threw a pass to Downey for a score for First West. The try for the extra point was good.

The third game was entirely different from the two preceding sevens battles. Second East romped over First West for a lopsided score of 28-6. The Crew and Hughey combination was the big gun in this ball game. Crew tossed Hughey two touchdown passes. The try for the extra points were good in both cases. Crew took to the air again in the second period with a touchdown pass

to Bob Whitener. Webb retaliated by hitting Ronald Williams in the end zone to make the score 28-6. Crew later ran seven yards for a touchdown and the game ended 36-6.

The fourth game saw both teams fighting hard for the championship. Webb and his First West team proved to be too much for the hard fighting Second East.

Webb ran 60 yards for the first score in the ball game. Then the two teams battled hard for the rest of the period. In the second period Webb took to the air. He hit Bill Funderburke for the second and final score of the game.

The winners have received trophies for their gridiron battles.

year Pat was a captain of the girls' basketball team and a cheerleader.

Patsy, a senior major, is a member of the marshall club, ERC, Pilot staff, and was elected house president for this year. Pat says that her primary outside interest is Do, but she also likes swimming and preparing unusual dishes. As for the future, Pat plans to attend either Wake Forest or Appalachian.

Another of our sophomore cheerleaders is Freda Austin, a business major, who comes to Gardner-Webb from Charlotte. She is a graduate of Central High School. Besides being a cheerleader, Freda is a member of the YWA and the hiking club. Freda's hobbies include sewing and cooking. After graduation from Gardner-Webb, Freda plans to work in Charlotte.

BASKETBALL PRACTICE BEGINS

With the grid season nearing an end Gardner-Webb cagers have started wiping the dust off their basketballs. When Coach Harris called the first practice for his prospective sharpshooters on October 26,

38 husky lads showed up.

After a hard practice it seemed evident that several of these boys would not return for the next session of practice. This proved true when only 32 returned the second day. With each practice the number became smaller until it reached 20.

There are now 20 boys battling for a position on the varsity squad, and the coaches have announced that there will be a "B" team that will consist of eight boys. This gives everyone more hope, and makes the fight for varsity even more exciting.

Shown above are the recently elected Sophomore Class officers. They are, left to right, Faye Branch, Vice-President, Don Shull, President, and Benita Self, Secretary-Treasurer.
