

Bulldogs Start Season With A Bang

G-W 5 - N. G. 4

G-W 6 - SIC 5

G-W 9 - N. G. 5

In the first game of the season the Bulldogs sent the North Greenville Spiders home on the short end of a 5 to 4 score. After spotting the Spiders one run in the top of the fifth, the Bulldogs tallied two in the bottom of the frame to go ahead to stay. Wyman Hamrick was credited with the victory as he came on in the fifth to relieve Wilton Daves.

Jackie Reavis led the Bulldogs at the plate with two hits out of four trips up. Gary Cannon, Arnold Isaacs, and Steve Humphries tallied triples as the Bulldogs showed the Spiderpitcher, Stokes for ten hits. Cannon collected three RBI's.

Hamrick struck out eight and gave up two hits on four and one third innings while Stokes gave up ten hits and struck out seven.

Isaacs scored two runs and Humphries, Reavis, Wright tallied one apiece.

Carlisle and Hott collected two singles apiece to lead the Spiders at the plate. Bulldog pitchers gave up eight hits in the contest.

A Sports Writer's Daily Task

By DILLARD MORROW

There has been so much in the past issues about Morrow getting his two cents worth in late so I thought that it would be only right that I put up what you might call an excuse.

On a normal day, things usually start out like, well maybe everything will go pretty good today, but they usually end with someone hunting me to get about something I forgot to do.

Say we had a ball game today. After the ball game, my end of the deal begins with me calling three newspapers about the game. After calling the game in, the next task is to write the ball game up for at least three newspapers. Everything goes pretty well until the next day; it usually comes up that I got involved in a ball season the night before and didn't get my write-ups ready and then the axe falls.

To make up for my laziness, I have to write the game up at dinner.

The Gardner-Webb Bulldogs kept the ball rolling as they traveled to Spartanburg Junior College to down the Pioneers to the tune of 6 to 5. Brilliant fielding and fine relief work by Wilton Daves brought the Bulldogs through on the long end. The score was all tied up throughout the latter part of the game, but the Bulldogs broke loose in the big seventh to tally the deciding run.

Floyd Wright started on the hill for the Bulldogs, but ran into trouble as the Pioneers tallied two unearned runs in the second. Daves scored his first victory of the season for the Bulldogs.

Bulldog stickmen came through in fine form as they slugged out ten hits to the Pioneers six. Steve Humphries, Floyd Wright, and Jackie Reavis collected two hits apiece for the Bulldogs. Humphries collected a triple and Wright slugged a double on the left field wall. Fowler led the Pioneers at the plate as he rapped out two hits in five trips to the box. One of his hits was a home run that accounted for two of the Pioneer runs.

Wright and Daves could get only four men on strikes and three Pioneer pitchers got eight Bulldogs by the strike-out path, never, while brushing my teeth, getting thrown out of class for not paying attention, and in general just getting the axe.

Oh Yee! I have classes too.

It has been figured out that a student should spend two hours studying for every hour in class. Well I figure that's 10 hours. Two hours for eating, that's essential; ball games last about three hours; spend four hours writing articles; Fowler led the wrong impression, I do manage to kill about three hours a day just answering fan mail, duns, and counting money which is unusual; it's big enough to buy a pepsi and a moon pie.

Everyone has problems and I'm not gripping. My task is the greatest, being with all the athletic teams and trying to let the people know about them. I just wanted to let these people that go to bed at ten o'clock know that they're lucky.

The Gardner-Webb Bulldogs won their third straight conference win as they downed Greenville Junior College 9 to 5 at North Greenville April 16. The Bulldogs staged a five run rally in the top of the ninth to put the game on ice. Trailled by one as they came up in the big ninth, the Bulldogs came through with five runs on three hits in the big ninth.

James Huey started it off as he singled to left. Steve Humphries came through in the clutch as he singled Huey home to tie up the ball game. Not through, Floyd Wright singled; Gary Cannon was walked intentionally to load the bases; Paul Roberts batted two runs home. Cannon scored on a wild pitch and Roberts stole home to complete the Bulldog scoring.

Max Evington started on the mound for the Bulldogs, but was relieved by Daves in the bottom of the fifth after doing a creditable job. The ball game was knotted at four all when Daves took over the mound chores.

Paul Roberts led the hitting for Gardner-Webb as he tallied three hits in five tries. Roberts was credited with five RBI's and scored once himself. One of Roberts' knocks was a triple. Arnold Isaacs batted a double to round out the extra base hits.

Three men collected two hits for North Greenville: Hott, Semples, and Hooper. Hooper proved to be the big stick for the Spiders as he drove across three runs in the losing game.

Evington and Daves struck out four while Stokes struck out nine men. The Spiders could manage only eight hits while the Bulldogs collected nine hits.

FROM THE SPORTS DESK

By Dillard Morrow Sports Editor

Baseball is here in force and the Bulldogs have started the baseball season proper deluxe. The Harrisonmen have took their first three conference hits. Maybe, who knows they might go all the way—here's hoping.

Figures to be seen around the horn this time will be "Waco" on first; Huey as second; Ike at third; Canyon, meant Cannon behind the plate. In the outfield, we will see Reavis, Roberts, and Humphries. On the mound Wilton Daves has taken two wins and Wyman Hamrick has tossed one victory for the Bulldogs three-and-nothing record. Cozy Forester, Max Evington and Floyd Wright round out the mound staff.

"Don't mind the one", "Omon Babe, you can do it", "You can do it, you done proved it", "Way to rock in there, kid", "Alf Hughes'—You're the boy it'shittin'wittin'ologyourtheom—something like that—all are familiar sounds as the hustling Bulldogs take to the diamond.

It's rumored that there's to be another one of them Monogram club initiations, well good. Mighty proud to be on the refreshment committee this time and its no trouble at all. Don't sweat it men, it's nothing.

Reminds me of the time this gallant second basemen had a round or two with this here lowering opponent over a close play at second. Well one word led to another and as Shakespeare said they got involved in fistfights (a fight). This big opponent knocked this not too little second sacker down and said, "Well are you going to get up or are you gonna lay there like a mouse." This little second basemen replied, "If it's all the same to you, I'll stay here."

It was funny at the time! It is just since this is the only way I have to tell the party that was referred to in the last issue of the Pilot, let me state that I had no fore-warning or knowledge of what was printed. It was like this when this daddy went to class the next morning. I got a look that would have melted a rock much less a snowball. That's a fact or there ain't a no in Texas. All kidding and explaining aside, let's get back to baseball and sports in general. We have a winning team, so let's all get out to see the Bulldogs—they need YOUR support. There have been good crowds out at the games, keep up the good

What G-W Has Done To Me

By NOSMO KING

Well, here I am agin'—back at the old typewriter.

Since I've taken time off from my chemistry, I may as well tell you of the things that has happened here at Gardner-Webb.

In the course of my studies here at Gardner-Webb it was inevitable that I have a class under Mr. Lawson Allen. So I enrolled in religious ed. The only way that I ever passed the course was to call on his daughter, Louise, several times.

After I had passed religious ed. and started looking for a new girl I met Cordie Hardin, and thought that I'd get her on one of her many rebounds. It seems, however, that Reid Armstrong is a better dribbler than I.

I was interrupted while studying the other night by Lawrence Matheny. It seems that Matheny wanted to move, and while he was hunting a new roommate his neighbors asked him how. Matheny said that he didn't mind the help that they gave him in moving but he didn't like the auctioning of his clothes that went on in his absence.

I must rush on through this article because I am leaving school. I'd also like to warn everyone else about the evacuation begins. You see I lost a quarter today and I am one of the many who believe the tale about Mr. Vosecky's nickel.

For the benefit of those who say that Gardner-Webb puts more education the author wants to point out that instead of the alumni buying Coach Harris a Cadillac the business students bought Mr. Vosecky a Plymouth.

work and school spirit. No news is good news, I always heard; so as to keep the readers happy till go, but before I go let me leave this reminder—Let's not have this on the scoreboard—No runs; no hits, no errors; and none left on—COME OUT AND SEE THE BULLDOGS IN ACTION!
