between price and value, also; and we teach that difference.

We know that there is a difference between what is convincing and what is true. Hundreds of millions of people in Italy, Germany, Russia, and China have discovered that difference too late. These critical days demand critical thought and critical examination. No point is over "proved" anywhere except in the mind of him who is convinced. In this mind, through honest, open-minded search and research the difference between convincing propaganda and truth can be known. We teach Him who is Truth in essence.

No Christian nor American peasant would deny any other man the privilege of self-expression at the point of conviction, but this freedom of speech does not remove the difference between expressing an opinion and making a contribution. It is much easier to talk than it is to say something! We want the difference recognized, and then we try to enable every student to do both.

We, in our Baptist colleges, teach the difference between speed and direction. This is the age in which

people knock themselves out hurrying to nowhere in order to have more time in which to be tired stiff! Speed is important. But speed in the wrong direction only hastens catastrophe or sorrow. The only safe direction for man or for nations is the direction of God's Will. The speed is determined also by that same Will. He regulates, not only the "what" and the "where," but also the "when."

Thus we believe; and thus we teach in our Baptist colleges. Teaching these differences makes the difference between education and Christian education.

## B. S. U. NEWS

Many of our BSU members attended the Leadership Training Conference in Forest City April 17-19. Dr. Carlyle Marney, pastor of Myers Park Baptist Church, Charlotte, addressed the opening session on Friday evening. He is an outstanding speaker and writer. Mr. Howard Reese, Baptist Student Secretary of Maryland and District of Columbia; Mrs. Lake Piyant and Mr. Howard Bramlette, both of Nashville, Tennessee; and Rev. Charles Arrington, Clemson, S. C., were the other speakers. They all developed the theme, "His Imperative—My Response."

The 40-piece choir composed of students across the state, was directed by Mr. Arnold Penland, director of vocal music in the Reidsville City Schools.

Twenty workshop groups were conducted on Saturday morning and afternoon to train officers. The officers for next year were elected on Saturday night. We had about 20 students attending this convention.

The next event on our schedule is the installation service for our new officers on May 8. This event will be highlighted by a retreat for both old and new council members at Ridgecrest. This retreat will be planning day for B. S. U. events next year.

The Gardner-Webb women's team, Mrs. Paula Hughes of Lexington and Janice Anderson of Gastonia, came from the tournament with a perfect record in debate. These two debaters, who at an earlier tournament were rated among the top 10, proved they deserved the honor as they won from two teams of the
