

BSU Gets '59-60 Year Off To A Big Start

For the past seven years as pastor of the First Baptist Church in Boone, Dr. L. H. Hollingsworth has worked closely with 1,200 Baptist students enrolled at Appalachian State Teachers College. In his new position at Wake Forest College, he is serving even more Baptist students, in addition to being the first fulltime chaplain to all students and faculty that the college has ever had. His coming to lead in the Campus Revival, October 12 through 16, is a great opportunity for the students of Gardner-Webb to learn the excitement of being constantly "on one's toes" and aware of every "open door" to the hearts of others.

There is not a more thrilling or satisfying experience for a Christian than the winning of others to Christ.

Dr. Hollingsworth began his college training at Gardner-Webb and continued at Wake Forest College. He attended New Orleans Baptist Theological Seminary and did further study at Southeastern Baptist Theological Seminary. While in the army he served as a chaplain in World War II. Before his pastorate at Boone, Dr. Hollingsworth was pastor of the First Baptist Church of Mebane, North Carolina. His work in the Baptist State Convention has been wide and varied, for he has served both as the President of the General Board and Chairman of the Committee of Twenty-Five.

The Campus Revival services will be held each evening at seven o'clock, with Praise for Power meditation periods fifteen minutes prior. Music will be under the direction of JoAnn Tesmer with some special music by the B.S.U. choir. Charmaine Austin will be in charge of program planning with the help of her committee. The program of Campus Evangelism and Visitation will be led by Jimmy Wae, Joe Buckner, and Bobby Strathorn.

The Baptist Student Union is the

denominational program for the 22,000 Baptists attending colleges in North Carolina. Its primary objectives are religious education, the training of Baptist students in church loyalty and leadership, missions and evangelism, and Christian understanding and action.

Local B. S. U.'s are organized on twenty-six campuses in this state. These local unions link the students to the life of the local churches and present on the campus programs of Christian significance suitable to the needs peculiar to college students.

The vesper services have been inspiring and uplifting as students have participated in periods of inspiration and devotion. The Wednesday evening prayer services with music by the B.S.U. choir and the pastors leading the meditation have been enriching.

The B.S.U. through its weekly executive council meetings on Monday evenings is striving to emphasize and promote those things of greatest importance to the students. The "Baptist Student" magazine campaign for subscribers of the Christian collegiate magazine especially for America's college students and the membership enlistment for the church and campus unit organizations are examples of this promotion and emphasis.

Y. W. A.

The Y.W.A. are looking forward to a very successful year. They are planning two meetings each month, one in the afternoon and one at night. The first meeting, with thirty girls present, was held on September 24th in the parlor of Stroup Dormitory.

The main event planned is the visit of a representative from Miss Sara Ann Hobbs' office. This should be very interesting, and it is hoped that more girls will join the Y.W.A. in this and all other meetings.

DELTA PSI OMEGA

The Delta Psi Omega is our college dramatic society. Its aim is to promote interest and participation in a high type of dramatics on our campus. A student is eligible for membership in the Delta Psi Omega after participation in a college play production. In order that any freshmen who are interested may have the opportunity to become eligible for membership in the Delta Psi Omega, the club plans to present a one-act comedy sometime during this fall semester. Try-outs will be announced and a cast will be chosen from those students presenting themselves.

THE MONOGRAM CLUB

The Monogram Club, an all male organization, is looking forward to accomplishing big things in the coming months. The officers for the year are: President, Ed Lohr; Vice President, Roger Gladden; Secretary-treasurer, Bill Nix. To be eligible for membership, a boy must have attained a letter in either football, basketball, baseball, or track. The purpose of The Monogram Club are to bring about a better understanding among the students and to give members of the club an opportunity to participate in school activities. In addition to conducting one chapel program during the year, the boys are planning to sell refreshments at all our home athletic events. One of the most important activities in the near future is the induction of new members.

The main objective of The Monogram Club is to stress school spirit. As was evident at the first pep-rally of the year, we desperately need an upsurge of our school spirit. We seem to have very little enthusiasm toward our activities. When the opportunity was given to attend an out of town football game, out of our "record enrollment," only thirty six students, including cheerleaders, responded. It is quite obvious that something is wrong when there are more boys on the team than there are spectators at the game.

The Monogram Club is eager to enlist the support of every student in helping to make our athletic program more profitable. Let's support them while they continue to give their best in every athletic event of the season.

Dr. Hollingsworth, leader in our Campus Revival, is pictured here in one of his more frequent poses. Dr. Hollingsworth is noted for his friendly, informal manner.

Five New Faculty Members

From Page One

has served as pastor of the First Baptist Church of Fayetteville, Arkansas, and of the First Baptist Church of Arendell, South Carolina. For eleven years he worked with the Home Mission Board. He was a professor of Greek, English, and Bible at Oklahoma Baptist University and North Greenville Junior College. I heard by way of the grapevine that Dr. Gillespie decided to root for G-W this year in basketball since we gave North Greenville such a good fight last year. His hobby is driving over the mountains and along the seashore especially in Key West, Florida. While interviewing Dr. Gillespie about his favorite type of music, he replied, "Of all vocal music I have ever heard, I like singing best."

If you happen to see a student studying for a Bible test, he probably has class under Dr. Poston. Dr. Poston was born near Spartanburg, South Carolina. When he was two years of age, his family moved to Shelby. This local lad grew up in Shelby and attended Shelby City Schools and Gardner-Webb College. After receiving his Ph.D., he was pastor of the First Baptist Church in Wallace, N. C., and Jonesboro Baptist Church in Jonesboro, Georgia. He is married to the former Dorothy Jenkins, also of Shelby.

They have three children, Steve, Gloria, and Beth. For his hobbies, Dr. Poston enjoys golf and swimming.

With these five new shining stars in the crown worn by Gardner-Webb College, our President, and a student body, we can make this one of the brightest and most successful years at Gardner-Webb. We welcome and wish each of you many faithful years of service to our college, faculty, and students.

Campus Clubs Discuss Plans For The Year

THE MARSHAL CLUB

The Marshal Club is the honor society of our college and membership in this organization is the highest honor which a Gardner - Webb student may receive. The members are chosen on the basis of high scholastic standing, character, leadership, and service on the campus. An impressive "tapping" ceremony is held during a chapel service toward the end of each school year, and students who have been chosen for membership in the Marshal Club are inducted at this service.

There are two groups within the Marshal club—the active marshals, and the honorary marshals. The active marshals are chosen by the faculty, and they serve as marshals at graduation and as tutors at pub-

lic college functions. The honorary marshals are chosen by students who are members of the Marshal Club and they together with the active marshals compose the entire Marshal Club.

The active Marshal Club members this year are: Walter Campbell and Margaret England, cochiefs, Jo Ann Brittain, Richard Ammons, Loretta Brooks, Roger Olden, Becca Greene, Jerry Jolley, George Mantooth, Peggy Jo Piest, Denny Turner, and Elizabeth Rabon.

The honorary Marshal Club members are: Susan Abernathy, Charmaine Austin, Marilyn Roger, Brenda Childress, Gordon Davis, Brenda Ellis, Jo Ann Tesmer, Troy Houser, E. L. Reese, Ray Struth, and Josephine Roper.

The 1959-60 Active Marshals shown in their official Marshal attire are Left to Right, Margaret England, Chief Marshal, Peggy Jo Piest, Loretta Brooks, Becca Greene, Jo Ann Brittain, and Lis Rabon. Standing are Richard Ammons, Walter Campbell, Chief Marshal, Roger Gladden, Jerry Jolley, George Mantooth, and Denny Turner.
