

Southern Association Group Commends College Self-Study

Dr. J. J. Hayden, chairman of the visiting committee from the Southern Association of Colleges and Secondary Schools, commended Gardner-Webb for its over-all self study after meeting with the faculty, talking with several students, visiting classes, and studying G-W's annual report to the Kings Mountain Baptist Association and the self study report.

Other members of the committee are Dr. Curtis Bishop and Dr. Robert Andrews.

PHYSICAL PLANT

The committee commented on the physical plant and building program, the principles of devotion to Christian education, and G-W's service to the community especially.

Dr. Hayden said that Gardner-Webb met the requirements for accreditation by the Southern Association and that the major

problem was clarifying direction for the future.

Dr. Hayden is president of Parkington Jr. College, Parkersburg, Mississippi; Dr. Andrews, professor at Frederick College, Portsmouth, Virginia; and Dr. Bishop, president of Averett College, Danville, Virginia.

College Choir Has Busy Schedule, Will Present "The Messiah" In December

The Gardner-Webb College choir, under the direction of Mrs. Nettie Rayle Gidney, will present "The Messiah" on December 10. In addition, they will present chapel programs on December 6 and 18. The choir will also take part

in the Founders Day and Homecoming celebrations. They will sing three selections before the football game and a quartet from the choir will sing selections at the luncheon.

The choir has already completed about half the appearances scheduled for this semester. Its first appearance for the 1961-62 season was in the E. B. Hamrick Building before a meeting of associational presbytery on September 17.

PROGRAMS PRESENTED

On October 5, the choir performed at a meeting of the South Fork Baptist Association in the Lincoln Baptist Church at Lincoln. After participating in a program for the Sandv Run Baptist Association in the Spencer Baptist Church at Spaldale on October 17, the choir took part in a similar program for the Kings Mountain Baptist Association in the Zoar Baptist Church, Shelby, on October 19.

The choir is made up of students selected from the college chorus, which is also under Mrs. Gidney's direction.

Although it is seldom thought of as such, the touring choir is.

without doubt, a very important representative of Gardner-Webb in the field of public relations, according to Mrs. Gidney.

Poston, Allen Solicit Funds For Foundation

Dr. Eugene Poston and Father Cuthbert Allen, vice-chancellor of Belmont Abbey College, are solicitors for the North Carolina Foundation on Church-Related Colleges. They are to visit 63 industries in the Gaston district of Area C.

Their purpose is to raise funds for church-related colleges. Their goal is \$50,000. Sixty per cent of this sum will be shared equally by the 22 member colleges in this state; 40 per cent will be divided on a pro rata basis of school enrollment.

COUNTIES COVERED

Dr. Poston and Father Allen are covering Gaston County and parts of Cleveland, Mecklenburg, and Union Counties. They have a greater number of industries to cover than any other team.

Allen H. Sims is the area chairman for the Gaston County region.

This is the ninth year for such a drive. Last year Gardner-Webb received \$16,000 from it.

Rev. Faulkner Chapel Speaker

The Reverend Mitchell Faulkner, pastor of Central Methodist Church in Shelby, was guest speaker in chapel October 16 and 17.

Monday he said that America's greatest sin is lost direction and lost values. We do not have the basic moral concepts. "Men with power are playing with the destinies of the people with petty politics. The issues are greater than the game.

"America is doing those things that are immediately rewarding, those things that will give us six inches now, rather than those things that will take us farther in the long run."

MAN THINKETH

"As a man thinketh in his heart, so is he." This was the theme for Tuesday's speech.

Men must accept responsibility for himself and for his world. He must not blame his failures

on others. "The real problem of this world is man. There is nothing worse than an evil man. The hope of the world is man, for there is nothing better than a good man."

God will do anything more for us than that we desperately want and are willing to sacrifice for.
