Bradley's Day

ALL'S WELL THAT SMELLS WELL.

Malcolm "Chico" Singleton picks up yardage against Lees-McRae College in Gardner-Webb's Oct. 16 clash with the Bobcats. Singleton was a big gun in the Bulldog offense which racked up 296 yards rushing against the hapless Bobcats while defeating them 19-6. This victory, the second of the season over Lees-McRae, brought home the WCJCCAC Championship for the Bulldogs for the second season in a row. The Bobcats proved a tougher meal for the Bulldogs in the first meeting as they succeeded to the Bulldogs 6-0.

Yank's Corner

Player's Brag May Meet Snag
It has been brought to the attention of this column of a certain brag. It seems that a green-horn basketball player from North Greenville says he can hold "Chile" to six points and "Butch" to a big ZERO. It seems funny that the whole N. G. team last year could only hold the two of them to a total of 48 points. But, good luck Buddy, you'll need it.

G-W. Last year Harold threw the shot "49" in a conference record. This was also good enough to rank him ninth in the nation. This year he is hoping for a big 55' which would insure him with many honors. At the present Harold and Jim Nolan are entering indoor track meets. Good luck, and we hope to see many records broken this year.

LOST - COST

Lee's McRae's lost (6.19) to the mighty G-W Bulldogs not only cost them a lost, but also the WCJCC Conference championship. This is the second year in a row for Coach Harris and the Bulldogs to win the conference title. Congratulations are in order for the team," Coach Harris, and Coach Spencer.

TENNIS TEAM BOUNCES TO VICTORY

The same day the G-W football team trounced Lee's McRae, our tennis team handed them a loss in a practice tennis match.

The tennis team is out practicing every day and by the time the tennis season rolls around they should be about perfect (seeing that it is 5-6 months away).

TRACK TEAM LOOKS FINE - HOOBROOK RANKS NINE

A recent magazine article in a sports magazine has listed some of the outstanding trackmen in junior colleges today. Among those listed is Harold Hoobrook, a sophomore here at

INCROWD - MAY BE OUT!!

Looking to intramural football, which is one of our roughest sports on campus. It seems that the Incrowd, with star-studded players like "Coot," "Cookie," "Kingdom," Marshall, Charles, Duane, and the Big Man himself Basil Bullard Jr., think they have the title wrapped up. However, there are a few teams who think different. So the Incrowd may fend up the Outcrowd. Whichever way it goes, good luck anyway, men.

Hoopsters Take Floor

by Jerry Moore

All the huffing and puffing you hear from the direction of the gym is not the "Big Bad Wolf" but G-W's basketball team going through another practice.

Under the direction of Coach Eddie Hoobrook, the Bulldogs are looking for another good season. After a slow start last year the Bulldogs went on to win the tournament championship in Forest City. Hopes are high that this can be repeated

and moves made to even higher stakes.

Returning from last year's championship team are: Dennis "Chile" Childers, an all-conference, all Region 10, all tournament player from Mt. Airy; Kenny Bean, an all-tournament player from Belmont; Joel Carroll, from Hudson; Butch "Javelin" Rogers from Hickory; Ronnie Bray from Jonesville; Cecil "Towhead" Atolley from Forest City; Rick Hoobrook from Danville, Va.; and Jerry "Yank" Moore from

Portsmouth, N. H.

Freshmen who will be wearing the red and black for the first time are: Bruce Morrow from Forest City; Dave Bridges from Hildebran; Cleve Kay field from Stanley; George Poston from Bethel; Rudy "Eagle" Reeves from Canton; Mike Tolley from Greensboro; and Gerald Gardner from Hamptonville. If the Bulldogs make it through pre-season practice, things should work out for a successful season.

JOEL CARROLL . . . 6-4 Bulldog center scores on Forest Poston in an intra-squad scrimmage as Cleve Rayfield moves in. These three big boys, Joel George 6-5 and Cleve 6-5 will give added scoring and rebounding strength to the Bulldog cage game.
