BOILING SPRINGS, NORTH CAROLINA

New Year Brings New Leaders With New Ideas

Mr. Tom Poston, new Director of Student Affairs, meets with Alpha Nu Omega, Mr.

Poston replaces Thomas Holland.

former Dean of Students,

The doors of Gardner-Webb College officially opened for the 62nd consecutive year as of August 26, 1969.

During the weekend of the 23rd and 24th the elected student leaders of the previous year gathered for Alpha Nu Omega sessions and much serious deliberating and planning for the arrival of the other students.

On Wednesday, August 27, a convocation was held for the entire student body in the Bond Physical Education Building. Also on Wednesday freshmen orientation began, and the most honorable upper-classmen met with their academic advisors.

Some 241 members of the school's first junior class will lead an invasion of the registration centers on Thursday morning, the 28th. These 241 juniors will be supported this

year by an estimated 1,109 sophomores and freshmen.

Also on Thursday the 28th, action will be taking place in the freshmen-advisor meetings when the youngest set meets with advisors as they follow up pre-registration work of the summer.

An abundance of entertainment has been lined up for the week beginning with a Figskin Preview at 7 p.m. on the 28th, and also included is a Luau on the 30th.

The beginning of classes must still be reckoned with thought, and thus on September 1, 1969, headed by 95 faculty and staff members, plus administrators the fall term of Gardner-Webb College will be kicked off. During this term a full calendar of academic work, athletic games, student union and fine arts programs have been charted.

WELCOME TO BULLDOG COUNTRY

Miss Kiser returns to G. W. as Assistant Director of Student Affairs.

Kiser, Proctor, And Poston Fill Student Personnel Positions

Welcome to all new faces on the GW campus. While it would be impossible to greet each individual student the Pilot staff would like to take this opportunity to acquaint you with these new members of student personnel.

Returning to GW to an old position with a new title is Miss Ruth Kiser. A native of North Carolina, Miss Kiser will be serving as Assistant Director of Student Affairs (women). She will also assume duties as ISU director.

Doctor Dan Proctor comes to GW from North Greenville Junior College. He is the new Director of Guidance and

Counseling. Proctor is a graduate of Southwest Baptist College and Howard Payne College. He received his B. D. and Th. D. degree from Southwestern Baptist Theological Seminary.

Mr. Thomas Poston arrived at GW this summer to fill the position of Director of Student Affairs. Mr. Poston has degrees from Gardner-Webb, Limestone, and Appalachian State. We feel sure that he will do an outstanding job for the student body.

So there you have it, new faces for '69-'70'. The Pilot staff hopes that all new faces, both student and personnel will find happiness at this new home here at Gardner-Webb.

New Campus Parking Problems

Business manager Charles Mack has a small headache. His problem is somewhat similar to the dilemma of the Old Woman in the Shoe. He's got so many cars that he doesn't know what to do.

The new construction of the road in front of Nanny Residence Hall is not completed in time for registration. So, where can we park all those extra registered cars? Even though construction of a new parking lot in front of Myers Hall is in its completion stages, it is not adequate enough to store the surplus from Nanny Hall.

Since each car has to have a registration sticker, maybe some new ones will be printed to adorn the surplus parkers until the construction is completed. The new bumper stickers would need to be large and fluorescent as an added precaution to warn drivers of parked cars on the public highway. The newly constructed road has a two-fold purpose. The road is to conform with the entrance road constructed last year and to serve as part of the beautification program of the campus.

Larry Thomas, formerly elected Student Government vice president, assumes new role of presidency. Election for vice president and secretary-treasurer will be held upon the adoption of a new constitution.
