

Bulldogs Have Winning Year In Senior Competition

By LARRY THOMAS

GOLF The golfers finished their first season in senior college play with a record of 12-2 in match play and 12-1 in stroke play. For the golfists, this was one of the best seasons in recent years. The Bulldogs, coached by Dr. Garland Allen, defeated such powers as: High Point, Presbyterian, Newberry, Erskine, and Lenoir-Rhyne. One of the losses came at the hands of ACC member Clemson University.

TRACK The first season of four-year competition for the track team was one of little grandeur. Entering only two meets, the Bulldogs finished their season early. Still considered a minor sport at Gardner-Webb, track promises to be even more competitive in the future.

FOOTBALL Gardner-Webb College will play its first full schedule of senior colleges this fall. The Bulldogs finished 3-5 last season, losing to the Carolina's Conference title holder Elon College. The Dogs also dropped games, to such

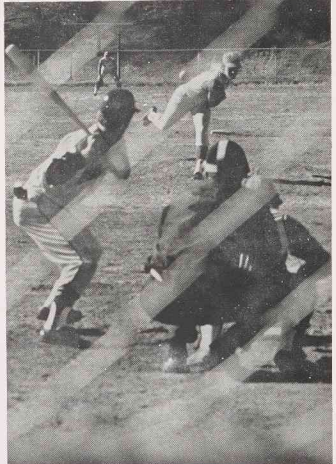

teams as Guilford, Newberry, and Mars Hill. This will be the first season for the Bulldogs under new head coach George Litton.

BASKETBALL Coach Eddie Holbrook guided his Bulldogs through their first senior college competition with a record of 18 wins and 7 losses. This brings Coach Holbrook's career record to 141-36. Included in the wins for the Bulldogs this year were three defeats of UNC-Asheville and two over rival Mars Hill. The big wins came over Carson-Newman 75-73 in overtime at home, and a 94-75 victory over Campbell College clinching the home schedule. The future appears to be very bright at Gardner-Webb College for great basketball as Coach Holbrook is signed several very outstanding high school and junior college players. The basketball Bulldogs are senior college competitors.

BASEBALL The Gardner-Webb College baseball Bulldogs have almost completed their first season in four-

year competition. Thus far the Bulldog line has compiled a record of 17-2. Included in the wins was a 2-1 squeaker over Shaw University, and an 8-5 thriller with Western Carolina University. The Bulldogs started the year with nine 300 plus hitters and two pitchers with perfect records last year. With only two games remaining to be played, the Bulldogs again, under the coaching of Jerry Bryson, are proving to be just as durable even in the strain of senior college competition.

TENNIS Tennis at Gardner-Webb College is on the upswing as a major sport. In their first full season as a senior college, the Bulldog netters have only a 2-7 record up to date, but the future is anything but dim. With three matches yet to be played, a good season is probable. The wins came over Mars Hill and UNC-Asheville, while the Bulldogs suffered defeat at the hands of Elon, Wofford, Pfeiffer, and Guilford. Gardner-Webb tennis with Coach Jim Taylor will be a contender in four-year play.

Buddy Starnes' strong pitching helped to bring victory over I.P.I.

Prep Stars Continue To Sign

A six foot, three inch, 220 pound tackle, Tom Friedell, of College Park, Georgia, has indicated that he will accept an invitation to play football for Gardner-Webb College next fall.

Bulldog Coach George Litton said Friedell should be a fine addition to the Bulldog grid team. Friedell was a defensive star on the Lakeshore High School team in College Park for the past two years when the team won 19 games and tied one. Friedell was highly praised by Litton. The Bulldog coach said the grid prospect has both the speed and the size to make a notch college football player.

An outstanding Georgia high school football player, Tom Hutchinson, of Thomson, has signed a grant-in-aid to play football for Gardner-Webb College, according to George Litton, Bulldog coach. Hutchinson was a linebacker and made honorable mention all-state. He weighs 180 pounds and is six feet tall.

The young man was not only an outstanding high school football player, but served as vice-president of his senior class, state vice-president of the Future Teachers of America, two years on the student council and two years on the school's debate team. He also lettered in track and wrestling in high school.

A Florida junior college basketball star has been signed to a grant-in-aid to play for Gardner-Webb College. The player, David Burke, is a native of Freeport, Florida, and played this past season for Gulf Coast Junior College, Panama City, Florida. Burke is six foot four inches

tall and weighs 190 pounds. He plays both forward and guard. Last season he averaged 16 points per game. He also set a school record when he sank 199 free throws out of 232 attempts. Gardner-Webb Coach Eddie Holbrook said Burke is an excellent prospect.

"David is a fierce competitor, especially on defense," said Holbrook. "He has a years experience in one of the best junior college leagues in the country. He played some outstanding ball for his school this year."

Doug Jolley, an all-state basketball player from Kingsport, Tenn., has signed a four year grant-in-aid to play basketball for Gardner-Webb. Jolley led his teammates at Dobyns-Bennett High School to a season's record of thirty wins and only five defeats. The team placed third in the state tournament before being knocked off by the state champions, Cameron High of Nashville.

Jolley is six-foot-seven inches tall and weighs 220 pounds. He is the son of Mr. and Mrs. Robert Jolley of Kingsport. Following the state tournament in Nashville, Jolley was named to the all tournament team. His season average of shooting from the floor was better than fifty percent.

His high school coach, Buck Van Husa, called Jolley one of the "finest basketball players in high school in Tennessee." Young Jolley is not only a good basketball player, but he made a score of more than 100 on his college board tests. He plans to major in business administration at Gardner-Webb.

Baseball Camp

By JEFF CRANFORD

Starting June 14, Gardner-Webb will host a baseball camp in three, two week sessions. The camp is under the direction of Jerry Bryson, head baseball coach, Gardner-Webb. Coach Bryson has had many years of experience in teaching and coaching baseball, as his teams have been to the National Junior College Tournament the past two seasons. He has also spent several years in professional baseball with the Houston Organization.

Also on the staff this year is Forrest "Smoky" Burgess, former major league great, who will serve as hitting instructor. Smoky played over 20 years in professional baseball, a consistent 300 hitter in the major leagues. Burgess played for the Reds, Cubs, Phillies, Pirates and White Sox, appearing in 5 All-Star games and in the 1950 World Series. One of baseball's most natural hitters, he does an excellent job teaching young hitters.

The camp will also be staffed by college and high school coaches. Included among the guest instructors are college coaches, professional players, former major league stars, and major league scouts.

"Bones" McKinney To Speak At All Sports Banquet

Horace "Bones" McKinney, head coach of the American Basketball entry, Carolina Cougars will be the principal speaker at the annual All-Sports Banquet of Gardner-Webb College.

The banquet is set for Saturday night, May 9th, at 7 o'clock in the Charles L. Dover Campus Center.

McKinney has led the young Cougars to great heights in the American Basketball Association. They have not only played some outstanding basketball, but are considered one of the most colorful teams in professional basketball. This has been due to the unique coaching ability of McKinney.

One of the highlights of the night will be announcement of the Bulldog of the Year Award. This honor is given annually to the person who has done the most to perpetuate the athletic program at Gardner-Webb. Outstanding athletes in each sport at the college will be honored and will be other awards given.

Since this is Gardner-Webb's first year in the American Basketball Association there will be no seniors to receive awards. Despite this fact

the school's athletic year has been highly successful. Outstanding seasons have resulted in the play of the basketball, baseball, and golf. These three teams have more than held their own among other senior colleges in the area.

The basketball team under Coach Eddie Holbrook, finished with a 19-6 record and the baseball team is currently 14-1 and the golf team is undefeated in match play.

Tentative 1970 Football Schedule

Sept. 12	Lenoir-Rhyne	H

31	Mars Hill	H
Nov. 7	Presbyterian	A
14	Georgetown	A
21	Elon	H

G.W.'s number one man Terry Florence lines one up.

Golf Team Is One Of Best

G. W.'s golf team had one of the best seasons of any of the school's intercollegiate sports teams in recent history as it lost only two matches, and one of those was to ACC member Clemson University.

Coach Garland Allen's men picked up wins during the year over such teams as Catawba, High Point, Guilford, Presbyterian, Newberry, Lenoir-Rhyne, Mars Hill, Lander and Erskine. They also placed ninth in a field of 22 Southeastern golf powers in the Furman Invitational Tournament in Greenville.

In their match with Clemson, the Bulldogs tied the Tigers in total team score with identical totals of 444, and Pres-

byterian was close behind with a 453 total. Match play Clemson won over G. W. 14-0, and Presbyterian a score of 12-12. G. W. 12-11 1/2 won over the Bulldogs.

The Bulldog golfers had some outstanding days during the season. One of these came the last match when they easily whipped Lenoir-Rhyne 20-4 with Bob Hines setting a course record at Hickory with a 68.

Terry Florence, of Charlotte, played the number one spot all year; followed by Mike Stewart, also of Charlotte, number two; and Bob Hines of Greenville, S. C., number three. Others following were Ben Adams, Greenville, S. C.;

M. Stewart practices strokes.

Johnny Kyle, Rock Hill, S. C.; Johnny Henderson, Jr., Monroe, Ga.; Ben Valentine, Greenville, S. C.; and Greg Gault, Greenville, S. C.
