Shaw Sings For GW Coffee-House

Gardner-Webb students will have the opportunity to hear Marlena Shaw in concert. On Tuesday September 22, at 8:00 p.m. in Boat Gymnasium.

In 1968, Miss Shaw joined the ranks of Aretha Franklin, Nancy Wilson and handful of supper stars when DOWNBEAT magazine titled the lovely 28-year old singer "most promising vocalist".

Marlena is delivering the promises, for she has recently tested for the starring role in the upcoming film on the life of Billie Holiday. She turned down the offer to appear permanently on the television series "Laugh In" in order to pursue her career as a solo performer, and she has just completed a successful 28-city tour of Europe.

Marlena Shaw sang for two years with the Count Basie Orchestra, and the last time she appeared in Las Vegas, she was the featured performer and the Basie orchestra backed her. Her television credits include stints on the Merv Griffin in Show, Dick Cavett Show and the Woody Woodbury Show.

She has recorded two albums for Cadet, and her single records have often made the charts.

Starring club dates for Marlena Shaw have included Playboy in New York, Pain Street in San Francisco, Mister Kelly's in Chicago, the Flamingo in Las Vegas and Harnan's in Reno.

Accompanying Marlena Shaw will be Loomis McGlohon one of North Carolina's best known pianist-composers. His recordings and his songs make him known to radio audiences in major radio markets across the nation. More recently Loomis McGlohon wrote the musical score for "Laud of Oz", also the theme for the "Love Valley Rock Festival".

The Loomis McGlohon orchestra includes nine musicians and they have performed in concert with the North Carolina Symphony Orchestra during the 1970 spring tour.

3 From GW In Statawide BSU

Reg Alexander, Mike Shook and Dax Synder will be representing Gardner-Webb in the Baptist Student Union state council convening at Camp Manzanito Vista October 2-4. In addition to business meetings the council will discuss the theme, "from passive concern to active involvement." This theme will be considered from the viewpoint of the different schools involved.

Students will also be involved in a "talk-back" session with local chaplains and the state officers. Two group discussions with students from schools which have chaplains and from schools which work with the student department in each school are also planned. The interchange as to how each sees their role can prove helpful in giving a broader perspective of the function of the Baptist Student Union.

George Spencer, President of the Physical Education Majors Club explains the President's Cup Award to the student body in chapel.
